How BLM will treat:
Exemp Req'st = Plan of Op
under 43 CFR 3809 reg .41

1. BLM was cc'd on exempt request - handling it as a POO

2. Steve goes over the request
   - approve 8½ items requested
   - not approve CPP
   - " " deep disposal drill & case

3. BLM POO activity
   30-day pub comm period - as soon as accept the request as a POO (put out what is submitted)
   * seems to be some confusion as to what the applicant is asking for

4. Sweetwater County will meet w/ BLM re: Lost Creek exemption

5. BLM has questioned the Applicant re: segmentation

6. Applicant has not rec'd a full project POO for Lost Creek
