Don,

I am assuming you want to discuss the new COL schedule with Mike Johnson. He will not be available during the RIC. If Luminant wants to schedule a drop in with him, please call his office. I can send you his phone number.

Thanks,

Steve

Steve,

I had mentioned previously a drop-in to discuss overall CPNPP Units 3 and 4 schedules. We have had these types of drop-ins before. My suggested attendees would include Dave Matthews, Hossein Hamzehee and yourself (if Michael Johnson was available, his attendance would be appreciated). I expect individuals from our Luminant development organization in Dallas to attend. We would like to have the drop in on 3/9. I know this is during the RIC so we will try to be flexible regarding time. I believe that one hour is all that is required.

If 3/9 cannot work, please explore 3/10 and 3/11.
