Ms. Carroll told me that the material from the previous location had been transferred to another licensee awaiting approval to the new location. I told her that I needed the most recent leak tests on the sources at the location to be removed and the date of the last material was at that location. I also needed new telephone numbers, email address, and facsimile numbers. She told me that the number I called is the new number.

Action Required: Ms. Carroll will send in the information by facsimile.
