Subject: Re: Status (UNCLASSIFIED)

Will the mitigation deliverable constitute a "done done" position for Corps input for the CC3 FEIS or are there other open its that the Corps needs to develop/forward to the NRC?

Dimitri Lutchenkov
Director, Environmental Affairs
UniStar Nuclear Energy

Dimitri,

I sent some draft FEIS information over to the NRC this morning. We are still working on the mitigation information and hope to finish this afternoon. We were sidetracked yesterday with a priority out of our hands.

Thank you,

Kathy B. Anderson
