## 13.6 Physical Security

The information in this section of the reference ABWR DCD, including all subsections, is incorporated by reference with the following supplement.

### 13.6.3 COL License Information

The following site-specific supplemental information addresses COL License Information Item 13.7.

The Security Plan consists of the Physical Security Plan, the Training and Qualification Plan, and the Safeguards Contingency Plan. The Security Plan is submitted to the NRC as a separate licensing document in order to fulfill the requirements of 10 CFR 50.34. The Security Plan meets the requirements contained in 10 CFR 26 and 10 CFR 73 and will be maintained in accordance with the requirements of 10 CFR 50.54. The Security Plan is classified as Security Safeguards Information and is withheld from public disclosure pursuant to 10 CFR 73.21.

The Interdiction Capability Evaluation addresses COL License Information Item 13.6.3.3-3 and is provided as a separate Safeguards supplemental licensing document.

A comprehensive site Security Plan for STP is provided in COLA Part 8.

A Cyber Security Program is implemented and maintained to meet the requirements contained in 10 CFR Part 73.54 during the operating phase of the nuclear units. This program will be implemented on site prior to Unit 3 Fuel ~~Load~~Receipt (Protected Area).
