Attached please find the subject requests for additional information (RAI). A draft of the RAI was provided to you on May 20, 2010, and on June 2, 2010, you informed us that the RAI is clear and no further clarification is needed. You also informed us that the draft RAI contained proprietary information. As a result, draft RAI Questions 03.09.02-70, 03.09.02-71, and 03.09.02-80 were modified to delete the proprietary information. The schedule we have established for review of your application assumes technically correct and complete

responses within 30 days of receipt of RAIs. For any RAIs that cannot be answered within 30 days, it is expected that a date for receipt of this information will be provided to the staff within the 30 day period so that the staff can assess how this information will impact the published schedule.
