Subject: RE: Comanche peak COL Chapter 3 - Section 3.7 topics of discussion for Thursday's call

Steve,

Because these came so late, we will be limited as to what we can discuss tomorrow. I feel we should have the call, however, to kick off the process. If nothing else, we can discuss the clarification questions to be discussed during our next call (11/4 I believe).

Don,

I have attached the topics and questions we wanted to discuss during Thursday's call. Question 3.7.2-16 will not be discussed.

First, I provided additional information on question 3.7.2-11. There are 6 questions on your response to 3.7.2-11.

Second, the staff provided information on CPNPP, COLA, part 2 Chapter 3, Appendices 3KK through 3NN. There are 15 questions on these appendices. Because we were late in providing this information, we could table this topic for the next call. I will leave that decision up to Luminant.

Thanks,
