December 10, 2010

MEMORANDUM TO: Edwin M. Hackett, Executive Director
Advisory Committee on Reactor Safeguards

FROM: David B. Matthews, Director ***/RA Frank Akstulewicz for/***
Division of New Reactor Licensing
Office of New Reactors

SUBJECT: VIRGIL C. SUMMER NUCLEAR STATION UNITS 2 AND 3 - COMBINED LICENSE APPLICATION - ADVANCED SAFETY EVALUATION WITHOUT OPEN ITEMS FOR CHAPTER 13, "CONDUCT OF OPERATIONS"

By letter dated March 27, 2008, South Carolina Electric & Gas (SCE&G) submitted an application to the U.S. Nuclear Regulatory Commission (NRC) for a combined license (COL) for Virgil C. Summer Nuclear Station (VCSNS), Units 2 and 3.

Based on our review of the application, the staff is providing the Advisory Committee on Reactor Safeguards (ACRS) its Advanced Safety Evaluation (ASE), without Open Items for Chapter 13, "Conduct of Operations" (ML100840174). The staff is submitting the ASE for Section 13.3, "Emergency Preparedness," to the ACRS under a separate memorandum. Unless otherwise stated in the ASE, the staff's review was based on Revision 2 of the application. The ASE is being provided to support a meeting of the subcommittee of the ACRS scheduled for December 2010. The ACRS Full Committee meeting will be held after the subcommittee meeting.

The staff has reviewed the ASE and found no topics that meet the categories of interest that ACRS members would like to review in detail.

CONTACT: Donald Habib, NRO/DNRL
301-415-1035

The staff concludes that the ASE does not contain any information exempt from public disclosure. However, the NRC will withhold the ASE from public disclosure for 10 business days to allow SCE&G the opportunity to verify the staff's conclusion that the ASE contains no such exempt information. Therefore, the staff requests that the ACRS withhold the ASE from public disclosure until it has been released publicly in the Agencywide Documents Access and Management System.

The staff will inform the ACRS immediately if SCE&G request that any of the information in the ASE be withheld from public disclosure.

Docket Nos. 52-027
52-028
