Subject: Exelon Document Library

Hi Tomeka,

We have uploaded the information requested to date, with the exception of copyrighted documents and the accident-analysis information that we discussed on Friday. We will have the copyrighted references available for inspection at the ER audit.

A good way to check what's in the Document Library is to open the Excel file titled "ER Table of Contents – Updated XXX" at the bottom of the list in the ER folder. The table of contents displays which documents have been uploaded in each of the folders, so it should provide you and your reviewers with a useful tool.

Please let me know if you have trouble with the site or if something appears to be missing.

Have a safe trip to Victoria – we'll see you on Wednesday.

Thanks,
JT
