RE: Anticipated Date to Provide Additional Information Requested for the Ross ISR Project License Application (Docket No. 40-9091)

Dear Mr. Saxton,

On behalf of Strata Energy, we appreciate all of the hard work, attention to detail, and efficiency exhibited by yourself and the Nuclear Regulatory Commission (NRC) staff on this license review. In response to your letter dated January 25, 2012, Strata Energy anticipates that the responses and requested information for the RAI will be complete and submitted to the NRC by March 30, 2012.

If you should have any questions, please contact me by phone at (307) 686-4066.

Sincerely,

Mal James
President
Strata Energy, Inc.
