NRC Region III Materials Office
Attention DNMS: Materials Licensing Branch
2443 Warrenville Road, Suite 210
Attn: Ms. Sarah Foster

Reference: 579834

Ms. Sarah Foster:

This letter is in response to the Nuclear Regulatory Commission's (NRC) request for additional information, regarding DCS Corporation's request to name Melinda Caron as RSO.

As the RSO, Melinda Caron is responsible for conducting all licensed activities in accordance with procedures outlined in License Number SUB-1603 and for managing its program in accordance with NRC regulations. Melinda will retain all correspondence and relative documentation and will ensure all plans, policies and procedures are current and in compliance with NRC regulations.

Licensed material shall continue to be possessed and stored under the supervision of James Gengler, employed in the Warren, Michigan branch, located at 7400 Miller Drive.

Melinda is employed in the Waltham, Massachusetts branch located at 303 Bear Hill Road, Waltham, Massachusetts, 02451. Melinda is available to meet with NRC staff upon request, at the Warren, MI facility or alternative locations and can be available with a 24-48 hour notice, excluding any travel restrictions.

Melinda may be contacted during the business hours of 8:00am-5:00pm at 781-419-6384. For emergencies and 24-hour response, dial 781-640-4492.

You may reach me at 571-227-6228 or phernandez@dcscorp.com.

Respectfully,

Peter Hernandez

Director of Corporate Services and RSO
