Eagle Rock Enrichment Facility
NRC Docket No. 70-7015

Subject: Document Transmittal

The enclosed document supports License Amendment Request (LAR) #13-01 (Reference 1) and is provided for your review.

The enclosed document and the information and data contained therein is proprietary to AES and contains SUNSI information. AES requests this document be withheld from public disclosure pursuant to 10 CFR 2.390. Enclosure 1 is an affidavit in support this request.

Should you have any questions or require additional information, please contact Mr. James A. Kay, Licensing Manager at 508-573-6554.

Respectfully,

George A. Harper
Vice President, Engineering and Licensing

EXPORT CONTROLLED INFORMATION

This document contains information whose export is restricted by statute. Violations may result in administrative, civil, or criminal penalties. Dissemination must be limited to "US persons" with a need to know. Dissemination to others requires review and approval of the DOE cognizant program manager and/or the issuance of a US DOE export license. This notice shall not be separated from the document containing the ECI.
