April 15, 2011

Ms. Laura McMaster, Director
Fairfield County Library
300 Washington Street
Winnsboro, South Carolina 29180

SUBJECT: MAINTENANCE OF REFERENCE MATERIALS AT THE FAIRFIELD COUNTY LIBRARY IN REGARDS TO THE NOTICE OF AVAILABILITY OF THE FINAL ENVIRONMENTAL IMPACT STATEMENT FOR VIRGIL C. SUMMER NUCLEAR STATION, UNITS 2 AND 3, COMBINED LICENSES APPLICATION REVIEW

Dear Ms. McMaster:

This letter is a follow-up to our telephone conversation on April 14, 2011, concerning the maintenance of relevant documents by your library. These documents are related to the final environmental impact statement (EIS) for combined licenses for Virgil C. Summer Nuclear Station (VCSNS), Units 2 and 3. The final EIS, NUREG-1939, "Final Environmental Impact Statement for Combined Licenses for Virgil C. Summer Nuclear Station, Units 2 and 3: Final Report," has been issued. The following copies of NUREG-1939, requested to be kept at the library, are enclosed:

(1) a paper copy of NUREG-1939 "Final Environmental Impact Statement for Combined Licenses for Virgil C. Summer Nuclear Station, Units 2 and 3: Final Report."

(2) three CDs of NUREG-1939 "Final Environmental Impact Statement for Combined Licenses for Virgil C. Summer Nuclear Station, Units 2 and 3: Final Report."

The staff appreciates your willingness to assist the public in participating in the combined license (COL) application process for a new reactor. As discussed, your support would consist of providing shelf space in your reference section which would be used for making the enclosed copies of NUREG-1939 available to the public. The final EIS can also be accessed online at www.nrc.gov/reading-rm/doc-collections/nuregs/staff/sr1939/.

We will continue to place the Fairfield County Library on our distribution list for notices and major documents related to the review of the VCSNS, Units 2 & 3 COL application.

Thank you for your cooperation. If you have any questions, you can reach me by telephone at (301) 415-3470 or via e-mail to Patricia.Vokoun@nrc.gov.

Sincerely,

/RA/

Patricia Vokoun, Project Manager
Environmental Projects Branch 2
Division of Site and Environmental Reviews
Office of New Reactors

Docket Nos.: 52-027 and 52-028

Enclosure: As stated
