Subject: RE: Addresses for ETI License applications

Jane, Jenny: We estimate that the maximum total activity to be imported will be 2 Curies per year, or 12 Curies over the life of the license.

The internal volume of a 40 ft. seavan container is about 2000 cubic feet. The volume is stated in our license application.

Please let me know if there are any other questions.

Sincerely,

Doug Kay

Doug,

Please provide an estimated maximum total of the activity level of the waste to be imported, and please call Jenny Tobin, Licensing Officer, at 301-415-2328 if you have further questions.

Thank you.
Jane Chimood
