**Subject:** Re: change in ADAMS?

Larry please give me a call 7561 about this issue.

thanks

Good Morning:

Mark suggested that you could help with a change in the availability of a document in ADAMS.

I became aware of a letter from NEI that indicates that a previous letter that was exempt from disclosure can be made publicly available.

What has to be done to make this change?

Original letter: ML063470621

Follow up from NEI allowing disclosure: ML063560355

Thanks,

Larry
