Mr. Marvin I. Lewis
6504 Bradford Terrace
Philadelphia, Pennsylvania 19149

Dear Mr. Lewis:

Thank you for your April 27, 1981 letter commenting on two of our supplemental draft environmental statements related to Susquehanna Units 1 and 2 and San Onofre Units 2 and 3 regarding the environmental impact of postulated accidents at these facilities. Your comments are timely (within the allowed 45-day comment period) with respect to the Susquehanna DES, NUREG-0564, Supplement No. 2. We will consider the more substantial comments in our preparation of the Final Environmental Statement on this case. Furthermore, your letter will be made a part of the official files on both of these cases.

Sincerely,
