SUBJECT: RII-94-A-0091

This refers to your conversation on April 19, 1994, with Mr. Donald Forbes of our staff in which you expressed a concern related to a radiological exposure on (b)(7)c at Cargill Fertilizer, Inc.

7C

This matter was referred to the State of Florida Office of Radiation Control in accordance with our Agreement State Program who conducted a review and documented their findings to us in a Radiological Incident Finding Report. The State's report concluded that the allegation was not substantiated in that a check of State, county and Cargill files found no record of any incident for the time frame in question. If you have any further questions on this matter, you can contact:

Mr. Bill Passeti, Manager
Office of Radiation Control
Department of Health and Rehabilitative Services
1317 Winewood Boulevard
Tallahassee, FL 32399-0700
(904) 487-1004

This concludes the staff's activities regarding this matter. We appreciate your cooperation and assistance.

Sincerely,

Linda J. Watson for
