Subject: New Works [Plant] Manager (i.e., License Holder)

Discussion:

I noted that Eagle Natrium, LLC's December 28, 2015, license amendment request to change the Radiation Safety Officer was signed by a new Works [Plant] Manager (i.e., license holder). I asked Mr. Mullens and Mr. Sapp to confirm that Jerry Mullens is the license holder and that NRC correspondence goes to Jerry Mullens at the same address that we have previously used and that there was no change in ownership. Mr. Mullens and Mr. Sapp confirmed.
