Dear Judge Bloch:

Enclosed please find a copy of the map referenced in the 7 April 1999 Affidavit of Douglas P. Chambers, Ph.D. at page 3, ¶ 5, which accompanied Hydro Resources, Inc.'s Response to LBP 99-15 Memorandum and Order (Questions Concerning Radioactive Air Emissions). Also enclosed is a copy of the map referenced in the 5 April 1999 Affidavit of Mark Pelizza at 4, which also accompanied the above referenced brief. It was recently brought to our attention that certain parties had not received copies of the maps, therefore, to ensure that all parties have in fact received copies, we are re-sending the maps via Federal Express to all parties on the service list.

We apologize for any inconvenience this may have caused.

Warmest regards,

David C. Lashway
