W. Andrew Baldwin, Esq.
Friends of the Earth
124 Spear
San Francisco, California 94105

Dear Mr. Baldwin:

This letter is to acknowledge receipt of your petition on behalf of the Friends of the Earth in which you requested pursuant to 10 CFR 2.206 that the NRC prepare supplemental environmental impact statements for the Diablo Canyon, Palo Verde, and Rancho Seco nuclear power plants which would consider the environmental impact of Class 9 accidents.

Your petition is being treated under 10 CFR 2.206 of the Commission's regulations and, accordingly, appropriate action will be taken within a reasonable time. I enclose for your information a copy of the notice that is being filed for publication with the Office of the Federal Register.

Sincerely,

Original signed by
Daniel R. Muller

for Harold R. Denton, Director
Office of Nuclear Reactor Regulation
