Project No.: PROJ0786

Subject: COQUI RADIOPHARMACEUTICALS CORPORATION - PLANS FOR SUBMISSION OF APPLICATION FOR MEDICAL ISOTOPE PRODUCTION FACILITES

As requested Coquí Radio Pharmaceuticals Corp. (Coquí) is providing the Nuclear Regulatory Commission (NRC) herein with scheduling information pertaining to its proposed Medical Isotope Production Facility (MIPF). This response serves to supplement Coqui's February 28, 2011 response to NRC request for Planned Milestones as well as other scheduling communications made to the NRC, including the May 11th Briefing on Potential Medical Isotope Production Licensing Actions public meeting.

Coquí considers the information contained in Enclosure (1) to be proprietary, Coquí requests that Enclosure (1) be withheld form public disclosure, pursuant to 10 CFR 2.390 and 9.17 (a)94). We have provided the necessary affidavit to support our request in Enclosure (3). We have also provided a public version of our response in Enclosure (2). Upon the removal of Enclosure (1), this document can be made public.
