Docket No. 030-37595

RE: Change in RSO and Increase in Troxler Possession limit – NRC License No. 49-29281-01

Dear Lizzette:

This letter is to inform you and the US Regulatory Commission of our desire to modify our NRC Materials License as follows:

- We want to change the Radiation Safety Officer from David R. Coffey to Flint Polson. Please find attached documentation supporting his credentials.
- We want to increase the maximum possession limit to allow possession of three Troxler Model 3400 series portable gauges

If you have any questions of concerns or require additional information, please contact me.

Sincerely,

Coffey Engineering & Surveying, LLC

David R. Coffey, PE/PLS
CEO

This is to acknowledge the receipt of your:

☑ LETTER and/or ☑ APPLICATION DATED: 05/20/2014

The initial processing, which included an administrative review, has been performed.

☑ AMENDMENT ☐ TERMINATION ☐ NEW LICENSE ☐ RENEWAL

☑ There were no administrative omissions identified during our initial review.

☐ This is to acknowledge receipt of your application for renewal of the material(s) license identified above. Your application is deemed timely filed, and accordingly, the license will not expire until final action has been taken by this office.

☐ Your application for a new NRC license did not include your taxpayer identification number. Please fill out NRC Form 531, located at the following link:

http://www.nrc.gov/reading-rm/doc-collections/forms/nrc531.pdf

Send the completed NRC Form 531, by facsimile, to the following number: (301) 415-5387

A copy of your action has been emailed to our License Fee and Accounts Receivable Branch, in our Headquarters office in Rockville, MD. You will be contacted separately if there is a fee issue involved.

Your application has been assigned the above listed **MAIL CONTROL NUMBER.** When calling to inquire about this action, please refer to this control number. Your application has been forwarded to a technical reviewer. Please note that the technical review, which is normally completed within 180 days for a renewal application (90 days for all other requests), may identify additional omissions or require additional information. If you have any questions concerning the processing of your application, our contact information is listed below:
