Dear Ms. Henderson,

We are submitting the final Ohio rules to the NRC for your review to ensure that they are compatible with NRC regulations. The rules were amended in accordance with RATS ID number 2012-3. These rules OAC rules were submitted for your review on December 11, 2014 as draft rules. In a letter dated January 16, 2015, your office indicated that the NRC had no comments on the draft rules. A chart to aid you in cross referencing the Ohio rules to the applicable NRC regulations is attached. The Ohio rules can be found at https://www.odh.ohio.gov/rules/final/finalrules.aspx

We believe that these Ohio rules satisfy the compatibility and health and safety categories established procedure SA-200.

If you have any questions, please feel free to contact me or Mark Light at 614-644-2727 or Mark.Light@odh.ohio.gov.

Sincerely,
