PART I.B -- INFORMATION NOT LOCATED OR WITHHELD FROM DISCLOSURE

☑ We did not locate any agency records responsive to your request. *Note:* Congress allowed agencies to treat three discrete categories of law enforcement and national security records as not subject to the FOIA ("exclusions"). *See* 5 U.S.C. 552(c). This is a standard notification that we give to all requesters; it should not be taken as an indication that any of these excluded records do, or do not, exist.

☐ We have withheld certain information in the records from disclosure pursuant to the FOIA exemptions described, and for the reasons stated, in Part II.

☐ Because this is an interim response to your request, you may not appeal this determination at this time. We will notify you of your right to appeal any of the responses we have issued in response to your request when we issue our final determination on your request.

☑ You may appeal this final determination within 30 calendar days of the date of this response, by writing to the FOIA Officer, U.S. Nuclear Regulatory Commission, Washington, D.C. 20555-0001 . Please be sure to mark your letter/envelope or email that it is a "FOIA Appeal."

PART I.C COMMENTS (Use attached Comments continuation page if required)

This responds to your request wherein you seek certified copies of any boiler records (subject to but not limited to records of boiler installation, boiler shipping records and invoices, boiler drawings, boiler installation and service instruction manuals, and records identifying boiler manufacturer) pertaining to the above listed location, for all years prior to 1980. We are also looking for any records regarding the presence, the use and or disposal of asbestos within the afore-mentioned facilities, records pertaining to any asbestos abatement preformed within the facilities.
The building and facilities were/are not under NRC licensing. You may want to inquire with the U.S. Army.
