MEMORANDUM FOR: D. Tondi, Section Leader, Plant Systems Branch, Division of Operating Reactors

FROM: J. T. Beard, Plant Systems Branch, Division of Operating Reactors

SUBJECT: OVERTIME DURING TMI-2 RECOVERY OPERATIONS

From time to time the subject has risen of the possibility of compensation for overtime worked during the recovery operations at Three Mile Island. Therefore, I would like to advise you of the amount of overtime I put in.

During the period before I went to the TMI site, I worked, as did most all of us, many long hours in Bethesda. Although some evenings I was at work until midnight, I did not keep any records of the times involved.

On Friday night April 6, 1979, I travelled to the TMI site and returned to Bethesda Monday April 23, 1979. For this period, I do have records of the hours I worked. As an enclosure, I have listed the amount of time worked each day. The table below summarizes the overtime involved.

| April 7, 1979 | 18.0 |
| April 14, 1979 | 48.8 |

| April 28, 1979 | 3.0 |
| TOTAL | 98.6 |
