Mr. A. Schwencer, Chief
Licensing Branch No. 2
Division of Licensing
U.S. Nuclear Regulatory Commission
Washington D.C. 20555

Dear Mr. Schwencer:

Subject: SUPPLY SYSTEM NUCLEAR PROJECT NO. 2
SCHEDULE FOR RESPONSE TO NRC QUESTIONS

On June 26, 1981, representatives of the Washington Public Power Supply System and Burns & Roe, Incorporated, met with the staff of the Nuclear Regulatory Commission (NRC) to discuss Fuel Load and Licensing Schedule for WNP-2.

During the meeting and in subsequent discussions, Mr. Auluck, our Licensing Project Manager, indicated concern over some of the dates for completions of our responses to the staff questions.

In order to clarify the commitments of the Supply System and to inform your staff of these commitments, I have enclosed a copy of the expedited schedule that the Supply System intends to use as our guide to support the present review cycle for the WNP-2 SER issue.

Very truly yours,

GD Bouchey
