NOV 2 1976

TAC-08[illegible]-1-Generic
(Continued)

Requesting Remarks: Duke Power Company (DPC) has proposed by letter dated October 1, 1976, to change the Oconee Unit 1 Technical Specifications to incorporate the provisions of 10 CFR 50.55a. DPC has also provided the basis for conformance which DPC considers to be practicable.

It is requested that DOR:OT review the DPC submittal for adequacy and provide a written response suitable for inclusion in a safety evaluation supporting the amendment.

This review is also covered by generic TAC No. 6037.
