Hello Ram,

I'm following up on my message below. I'd really like to set up the dates/times for the meeting/call referenced below. I need to get the right people lined up for the meetings. Please let me know if you have had any luck with the staff.

Thanks,
Chris

Hi Ram,

I'd like to set up a meeting with the staff to discuss section 3 of the ISG. As we mentioned on Monday, we are putting some alternative wording together. Based on the key consultant availability, we'd like to propose getting together at the EPRI Palo Alto offices on August 12th and 13th.

We also need to set up a conference call to discuss the section 4 issue (HF Screening). Please let me know if the appropriate staff would be available next week.

Thanks for all your help.

Chris
