In the Matter of	
NORTHERN INDIANA PUBLIC SERVICE COMPANY	Docket No. 50-367
(Bailly Generating Station, Nuclear 1)	(Construction Permit Extension)

MEMORANDUM

September 2, 1980

We have before us the appeals of the City of Gary, Indiana et al. and Dr. George Schultz from the denial of their petitions for leave to intervene in this construction permit extension proceeding. Following the receipt and examination of the responses of the other parties, we will determine whether to hear oral argument and so inform all concerned. In the event there is oral argument, it will be heard in Bethesda, Maryland, on Thursday, October 2, 1980. Pending further announcement from this Board, those who might wish to participate in the argument should reserve that date.
