Hello Becky,

I'm following up on a conversation you and I had a few weeks ago. As you know, the industry is very interested in getting a copy of the report that Carl put together for the staff. We would like to review it prior to the meeting on the September 25th & 26th. The last time we spoke, the report was still in staff review. However, you indicated that you might be able to expedite the review and make a copy available to us. How are you making out with the review and when do you anticipate that you will be able to release a copy to us? Any help you can provide with this issue, would be appreciated.

Thanks,

Chris Earls
