Subject: September 25th/26th Meeting Agenda

Ram,

Based on the feedback that I received from Farhang and Adrian, I propose the following agenda for the September 25th and 26th meeting at EPRI. Please feel free to make the necessary changes based on any feedback you receive from Nilesh. The times are a guess on my part. Please let me know if you need any additional information.

Agenda – September 25, 2008

- | | | |
|--|-------------|-------------------|
| • Introductions | Ram | 8:30 AM – 8:45 AM |
| • Describe the high level issue(s)/problem | Farhang/NRC | 8:45 AM – 9:15 AM |
| • Discuss draft NRC internal report | Carl/NRC | 9:15 AM – Noon |
| • Lunch | All | Noon – 1:00 PM |
| • Discuss the computer system SHAKE | Farhang/All | 1:00 PM – 2:30 PM |
| ○ One dimensional soil column analysis | | |
| ○ Outcrop definition | | |
| ○ Example of uniform half space and layered sites | | |
| • Review GMRS and FIRS definition | Farhang/All | 2:30 PM – 4:30 PM |
| ○ De-convolution Analysis | | |
| ○ Use of FIRS for SSI Analysis | | |
| ○ Use of FIRS to compare with C SDRS for plant applicability | | |
| • Review Meeting and Discuss Agenda for 9/26/08 | NRC/All | 4:30 PM – 5:00 PM |

Agenda – September 26, 2008

- | | | |
|---|---------|---------------------|
| • Recap previous days discussions | NRC | 8:30 AM – 9:00 AM |
| • Propose alternative options for the ISG | Farhang | 9:00 AM – 10:30 AM |
| ○ GMRS and FIRS definitions | | |
| • Discuss Path Forward | NRC | 10:30 AM – 11:45 AM |
| ○ Action Items and Schedule | | |
| • Conclude Meeting | NRC | 11:45 AM - Noon |
