(Pebble Springs Nuclear Plant, Units 1 and 2)	)	

APPLICANTS' MOTION FOR AN ORDER
EXTENDING TIME TO FILE FINDINGS OF FACT

I.

Applicants are now required by Order of this Board to file their Proposed Findings of Fact in the above matter on or before October 15, 1980. Applicants have diligently attempted to comply with the Board's Order but have been unable to complete the preparation of their findings by the required date. Applicants believe that they can finish their Proposed Findings by October 22, 1980, and accordingly request an extension of time to such date.

II.

Applicants have discussed this matter with Counsel for the NRC Staff. He has indicated that he has no objection to the same provided the time for filing findings by the NRC Staff is extended by the same period of time.

8010210571

Applicants understand Mr. Marbet also has no objection to this request provided his time is in similar manner extended a week. Applicants have contacted counsel for the State of Oregon, and he indicates he has no objection to this Motion.

Respectfully submitted,

Warren Hastings
