INTERVENOR LOUISIANA CONSUMER'S
LEAGUE'S NOTICE OF
WITHDRAWAL FROM PROCEEDING

Louisiana Consumer's League, Inc. and Louisiana Power & Light Company have for some months been actively involved in negotiations concerning LCL's participation in the Waterford 3 operating license proceeding. Recently, LCL and LP&L executed a Stipulation (copy attached) which reflects that LCL's concerns, as evidenced in its contentions, are met, and that LCL will withdraw all of its contentions and withdraw as a party to this proceeding on the basis of information exchanges with LP&L, and on the basis of commitments by LP&L to LCL regarding the construction of transmission lines on the Waterford 3 site and the establishment of a nuclear oversight committee (in addition to those required by NRC) upon which LCL will have one member.

Accordingly, LCL withdraws its contentions and withdraws as a party to the above-captioned proceeding.
