RE: STIPULATION AS TO RELEASE OF PHOTOGRAPHS

Dear Ms. Helwick:

Enclosed please find a copy of the Interim Stipulation As To Release of Photographs as discussed in our last discovery conference. We have reviewed the draft stipulation you drew up and have made some minor language modifications to bring the temporary stipulations into closer agreement with our understanding of the tentative agreements reached at the discovery conference.

Please sign where indicated and return to me. We will then sign and arrange to have it filed in this proceeding, expediting the release of the negatives.

We would also appreciate you indicating when (or whether) you intend to move the ASLB for protective orders as to the two sets of photographs (those you have indicated complete objection to and those you have indicated conditional objections to release thereof).

Please note that our records indicate the total number of photographs in question are 217; those subject to the enclosed temporary stipulation are 196.

Please feel free contact me at the above phone number if you have any questions.

Sincerely,

Daniel Hirsch
