and Environmental Management Programs

SUBJECT: WESTINGHOUSE HEMATITE LICENSE AMENDMENT REQUEST
INVOLVING PROPOSED APPROVAL OF DECOMMISSIONING PLAN

DATE & TIME: Monday, December 14, 2009
6:00 p.m. - 8:30 p.m.

LOCATION: Atrium
Best Western Shalimar Conference Center
1200 Gannon Drive
Festus, MO 63028

PURPOSE: To inform the residents and interested stakeholders in the area of the former fuel cycle facility of Westinghouse Hematite located in Hematite, MO of: (1) Westinghouse Electric Company's request to amend the Hematite license to accept the proposed Hematite Decommissioning Plan; (2) provide an overview of the NRC process which allows interested parties to provide comments on a proposed action and/or request a hearing; and (3) provide an opportunity to question the NRC staff about their review of the license amendment request and to provide comments on Westinghouse's proposed action. License No. SNM-00033 (Docket 70-0036).

CATEGORY 3*: This is a Category 3 Meeting. Public participation is actively sought for this meeting. The public is invited to question members of the NRC Staff about the licensing amendment process and the NRC's

67 Federal Register 36920, May 28, 2002

review process and to provide comments and/or concerns about the proposed Westinghouse action. NRC meetings are open for interested members of the public to attend pursuant to the "Enhanced Public Participation in NRC Meetings: Policy Statement," 67 *Federal Register* 36920, May 28, 2002.

PARTICIPANTS:

Participants from the NRC include members of the Offices of Federal and State Materials and Environmental Management Program, the General Counsel and Region III. The Missouri Department of Natural Resources has been invited to participate in the poster session of the meeting.

J. Hayes	J. Weil	D. McIntyre	

COMMENTS:

The purpose of this meeting is to provide (1) an overview of Westinghouse's proposed decommissioning plan for the Hematite site; (2) an overview of the NRC staff's process for reviewing the Hematite Decommissioning Plan; (3) an opportunity to discuss with NRC staff the performance of the staff's review and areas of concern or issues associated with Westinghouse's proposed action; and (4) information on how interested members of the public may request a hearing regarding the proposed action. The focus of the meeting will be on obtaining from members of the public information regarding any concerns or issues they may have with respect to Westinghouse's proposed actions and providing information on the manner in which the staff will be conducting its review. The opportunity for providing and obtaining this information will occur during the poster session. The poster session will account for a majority of the time allotted for the meeting. The overview of Westinghouse's proposed actions, the staff's review process and the manner in which a hearing regarding the proposed action may be requested will be limited and occupy a minority of the amount of time allotted for the meeting.
