Division of Construction Inspection & Operational Programs
Washington, DC 20555-0001

Dear Mr. Peralta:

Subject: Request for Response Extension Regarding Docket No. 99901383, NRC Inspection Report No. 99901383/2009-201

Curtiss-Wright Electro-Mechanical Corporation requests an extension for the response to the subject NRC Inspection Report, Notice of Violation, and Notice of Nonconformance due to the upcoming holidays. During the holiday period, a majority of EMD employees take an extended vacation from December 19, 2009, through January 3, 2010.

The NRC Inspection Report was received December 8, 2009, and the cover letter requires a response within 30 days from the date of the letter, December 4, 2009. Responsible personnel will be unavailable due to extended holiday vacation. EMD respectfully requests a response extension until January 18, 2010.

Thank you in advance for your consideration of this response extension request.

Sincerely,

A handwritten signature in black ink that reads 'Stewart A. Shannon'.
