**Date:** Wednesday, June 30, 2021 1:24:30 PM

---

Good afternoon,

I have the FWS law enforcement notifications straighten out. The Miami LE phone number in the BO no longer needs to be used. In the future, please contact David Pharo via email for any deaths or injuries and if urgent such as an active poaching incident via cell phone at 786-236-2862. David's email is david_pharo@fws.gov.
