Dear Mr. DeLaBarre:

Enclosed is a letter from Edlow International Company dated December 3, 1999, requesting an amendment to export license XSNM03076 to change the intermediate consignee for conversion purposes from JCO Company, Ltd., to Mitsubishi Nuclear Fuel Company, Ltd.

Assurances from Japan are required that the newly-named intermediate consignee is authorized to possess the low-enriched uranium for the stated end use. Your assistance in obtaining the necessary assurances will be appreciated.

Sincerely,

Ronald D. Hauber
