PUBLIC MEETING NOTICE

May 23, 2013

MEMORANDUM TO: Bruce Watson, Chief
                 Reactor Decommissioning Branch
                 Decommissioning and Uranium Recovery
                   Licensing Directorate
                 Division of Waste Management
                   and Environmental Protection
                 Office of Federal and State Materials
                   and Environmental Management Program

FROM: James Shepherd, Project Engineer **/RA/**
                 Reactor Decommissioning Branch
                 Decommissioning and Uranium Recovery
                   Licensing Directorate
                 Division of Waste Management
                   and Environmental Protection
                 Office of Federal and State Materials
                   and Environmental Management Program

SUBJECT: FORTHCOMING WEBINAR

DATE & TIME: Tuesday, June 4, 2013
                 11:00 a.m. – 4:00 p.m. (EDT)

LOCATION: Not Applicable
                 Webinar and Teleconference

PURPOSE: To inform and solicit stakeholder input on consideration of rulemaking
                 to address prompt remediation of residual radioactivity during
                 operations.

CATEGORY: This is a Category 2 Meeting. The purpose of this meeting is to
                 engage stakeholders to ensure that their comments and concerns are
                 considered by the NRC. Stakeholders and members of the public are
                 invited to provide comments at designated points identified on the
                 agenda (Enclosure 1). Stakeholders and members of the public may
                 participate in this meeting via Webinar and toll-free teleconference.
                 For details on how to participate, please call one of the NRC meeting
                 contacts listed below or see the Webinar registration information
                 (Enclosure 2).

PARTICIPANTS: NRC
                       External Stakeholders
                       General Public

TELECON #:   877-521-2306 (for listening only – no webinar)
PASSCODE: 1659814

ADDITIONAL
INFORMATION: **Agencywide Documents Access and Management System (ADAMS):**

                       Publicly available documents created at the NRC are available
                       electronically at the NRC's Electronic Reading Room at
                       http://www.nrc.gov/reading-rm/adams.html. From this page, the public
                       can gain entry into ADAMS, which provides text and image files of NRC's
                       public documents. If you do not have access to ADAMS or if there are
                       problems in accessing the documents located in ADAMS, contact the
                       NRC's PDR reference staff at 1-800-397-4209, 301-415-4737, or by
                       e-mail to pdr.resource@nrc.gov.
