SUBJECT: Updated Schedule of Submittal of Future License Renewal Application
River Bend Station – Unit 1
Docket No. 50-458
License No. NPF-47

REFERENCE: RBG-47436, Letter from Mr. Eric W. Olson (Entergy) to U.S. NRC,
“Updated Schedule for Submittal of Future License Renewal Application
River Bend Station – Unit 1,” dated February 13, 2014

Dear Sir or Madam:

In the above referenced letter, Entergy provided updated information on a proposed license renewal application submittal schedule for River Bend Station.

Based on evolving business conditions, this letter revises the previous schedule information for future submittal of a license renewal application for River Bend Station to:

April – June (2Q) 2017

Entergy’s plans for future submittal of license renewal applications are subject to reevaluation and further updating as business conditions evolve. If changes in Entergy’s plans occur, we will notify the NRC.

This letter contains no commitments.

If you have any questions or require additional information, please contact Mr. Timothy Schenk at (225) 381-4177.

Sincerely,

A handwritten signature in black ink, appearing to read "W. Maguire".
