Dear Mr. Chairman:

Enclosed is the Nuclear Regulatory Commission's March 2018 Congressional Status Report. The report is provided in accordance with Section 402(e) of the Energy and Water Development and Related Agencies Appropriations Act, 2017, as the NRC was still operating under the fiscal year (FY) 2018 total annualized rate (i.e., the FY 2017 enacted levels reduced by the rate reduction specified in the Continuing Appropriations Act, 2018, as amended) during the month of March. The April report will reflect the Consolidated Appropriations Act, 2018. Please feel free to contact me or have your staff contact Eugene Dacus, Director of the Office of Congressional Affairs, at (301) 415-1776, if you have any questions or need additional information.

Sincerely,
