(SP-99-047)**

The NRC recently sent you, under separate cover, a copy of the NRC's final fee schedule rule for Fiscal Year 1999. The Federal Register reference is 64 FR 31448-31483, June 10, 1999. You may want to send a copy of the final rule to your licensees who may perform work in non-Agreement States under the reciprocity provisions of 10 CFR 150.20 since the final rule assesses fees to those Agreement State licensees.

The reciprocity fee schedule is on page 63 of the document provided to you (or on page 31474 of 64 FR). In addition to publication in the Federal Register, the final rule is available on the Internet at "<http://ruleforum.llnl.gov>."
