Commissioner Comments on SECY-01-0040

Chairman Meserve

I approve the proposed amendment to XSNM-02611 on the basis that it is a one-time exception to the annual limit and will be used to make up the three missed CY 2000 shipments, as well as shipment of the annual quota for CY 2001.

Commissioner Diaz

I approve the amendment "subject to agreement on the Transportation and Security Plan", as stated in the Executive Branch views. (As a separate matter, please keep me informed of the status of the conversion to LEU.)
