American Nuclear Insurers

Our primary purpose is to provide third party nuclear liability insurance products to U.S. commercial nuclear risks that satisfy the financial protection requirements of the Price-Anderson Act.

American Nuclear Insurers

We insure every nuclear power plant in the United States.

We insure other facilities including nuclear fuel fabricators and enrichment facilities.

We administer the secondary financial protection program established by Price-Anderson.

ANI Coverage

- Bodily Injury
- Property Damage
- Covered Environmental Cleanup Costs
- Reasonable Additional Expenses incurred by States, Counties, and Municipalities in responding to an evacuation

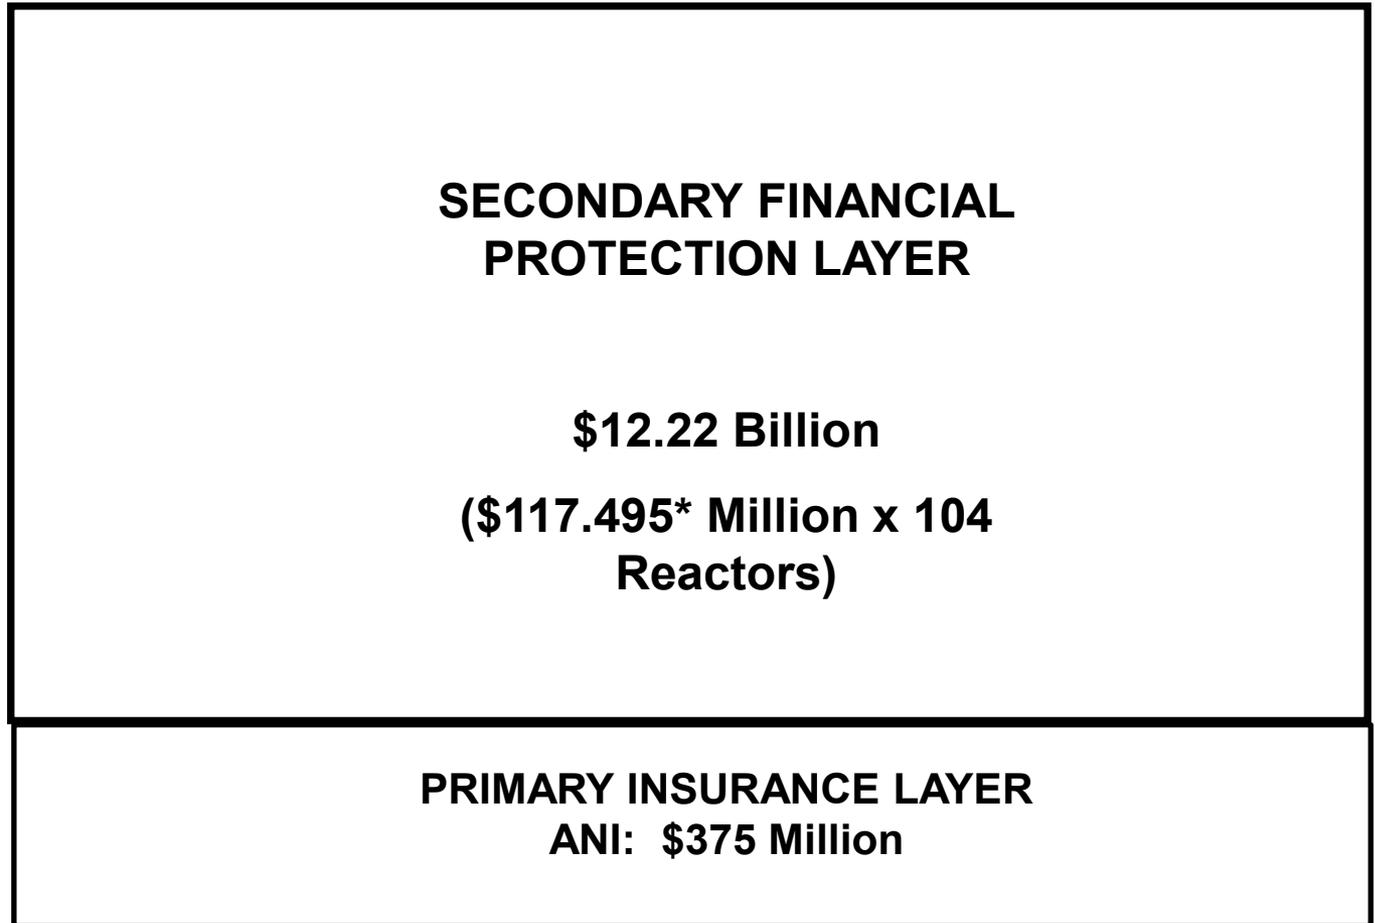

All coverages triggered by the
nuclear energy hazard

Price-Anderson Act Key Provisions

- Financial Protection in Two Layers
- Economic Channeling of Liability

Congress is required, under the Price-Anderson Act, to “take whatever action is determined to be necessary...to provide full and prompt compensation” for claims resulting in damages that exceed the Secondary Financial Protection layer**
