[11:12 a.m.]

CHAIRMAN JACKSON: Good morning again. This is an affirmation session and we have one item to come before us this morning.

Before I ask the Secretary to lead us through the item for affirmation, do any of my fellow Commissioners have any comments they wish to make?

[No response.]

CHAIRMAN JACKSON: If not, Mr. Hoyle, please proceed.

MR. HOYLE: We have one item, Madam Chairman. It's SECY-96-217. In this paper the Commission is being asked to act on an order responding to a petition for review from the Citizens Awareness Network and New England Coalition on Nuclear Pollution. These are intervenors in a case that the Atomic Safety and Licensing Board concluded in LBP-96-18, granting Yankee Atomic Electric Company's motion for summary disposition. This is a decommissioning proceeding involving the Yankee Rowe reactor.

All of you have approved an order denying the petition for review and establishing a two-stage administrative stay. I ask you to affirm your votes.

CHAIRMAN JACKSON: Aye.

COMMISSIONER ROGERS: Aye.

COMMISSIONER DICUS: Aye.

COMMISSIONER DIAZ: Aye.

COMMISSIONER McGAFFIGAN: Aye.

MR. HOYLE: Thank you.

CHAIRMAN JACKSON: Is there anything else to come before us?

MR. HOYLE: No, there isn't.

CHAIRMAN JACKSON: We're adjourned.

[Whereupon, at 11:13 a.m., the meeting was adjourned.]
