IN THE WASHINGTON, DC AREA" dated January 19, 2007

In 2007, DHS had designated the Presidential State of the Union Address on January 23, 2007, as a National Special Security Event (NSSE). The Nuclear Regulatory Commission (NRC) has issued SA-07-05 to certain large materials licensees (NRC AND Agreement State) who possess, use, ship or receive high-risk radioactive materials. Note that the security advisory contains physical security information and is, therefore, being withheld from public disclosure in accordance with 10 CFR 2.390.
