

**Commissioner Jeff Baran:  
Calendar**

<b>Date</b>	<b>Title</b>	<b>Topics</b>	<b>Location</b>	<b>URL</b>
10/15/2014	Meeting with Tennessee Valley Authority	Commission briefing outline Update on Watts Bar hydrology issue Update on Watts Bar Unit 2 Fukushima response Milestones for Watts Bar Unit 2	Rockville, MD	
10/17/2014	Meeting with Building and Construction Trades Dept.	Introductory meeting to discuss training and qualification programs run by the NABTU	Rockville, MD	
10/23/2014	Meeting with Nuclear Energy Institute	Introductory meeting NEI priorities	Rockville, MD	
11/03/2014	Meeting with Westinghouse	Safety culture improvements AP-1000 challenges and opportunities New reactor review resources Operating plant digital upgrades Current regulatory issues with the fuel fabrication facility	Rockville, MD	
11/03/2014	Meeting with NextEra Energy	Fukushima activities Turkey Point Units 6 and 7 Reactor Oversight Process Enhancement Cumulative Impacts of Regulations Extended License Renewal	Rockville, MD	
11/04/2014	Meeting with American Nuclear Society	Source Security, qualitative consideration of factors	Rockville, MD	
11/04/2014	Meeting with Union of Concerned Scientists	Post Fukushima mitigating strategies requirements, changes to the force-on-force inspection program and the recent SECY, spent fuel pools	Rockville, MD	
11/05/2014	Meeting with Natural Resources Defense Council (NRDC)	On-going NRDC project on citizen radiation monitoring, concerns about public participation in NRC's hearing process	Rockville, MD	
11/07/2014	Meeting with Taiwan Atomic Energy Council (AEC)	Future reorganization of the AEC Fukushima lessons learned Regulatory effectiveness and openness Participation of stakeholders during policy making process Yucca Mountain plan	Rockville, MD	
11/13/2014	Meeting with Duke Energy	Generic regulatory issues, Duke fleet performance Fukushima response – flooding/seismic, subsequent license renewal, NFPA 805, decommissioning	Rockville, MD	
11/17/2014	Site visit – Watts Bar		Knoxville, TN	
11/18/2014	Attend the Institute of Nuclear Power Operations CEO Conference		Atlanta, GA	
11/19/2014	Meeting with San Onofre Safety.org	Dry cask storage	Rockville, MD	
11/20/2014	Meeting with Spanish Nuclear Safety Council	Introductory meeting	Rockville, MD	
11/20/2014	Meeting with Entergy	Leadership overview, fleet status update, industry decommissioning working group status	Rockville, MD	
11/21/2014	Meeting with Health Physics Society (HPS)	Discuss items of interest between the NRC and HPS, introduction of HPS President Hamrick	Rockville, MD	
11/25/2014	Meeting with Southern California Edison	Status update on decommissioning of the San Onofre Nuclear Generating Station	Rockville, MD	
12/02/2014	Meeting with Conference of Radiation Control Program Directors (CRCPD)	Introduction of CRCPD leadership representatives Training for state radiation control staff Input on NRC's Project Aim 2020 National Materials Program Nationwide environmental data sharing, financial assurance, source security/source storage issues	Rockville, MD	
12/02/2014	Meeting with Exelon	Introduction of the Exelon executive team members Updates on completion of post-Fukushima Orders in the Exelon fleet Tornado missile protection regulatory issue summary public comments Ongoing resolution of NRC Bulletin 2012-01, "Design Vulnerability in Electric Power System"	Rockville, MD	
12/10/2014	Meeting with Waste Control Specialists	Who they are, current activities of interest, and potential future activities	Rockville, MD	
12/16/2014	Meeting with Greenpeace	Discuss views on how NRC might best address potential threats and flooding risk to U.S. nuclear power plants	Rockville, MD	
01/12/2015	Meeting with GE Hitachi Nuclear Energy	Overview of GEH nuclear businesses and current regulatory topics such as, status of Vallecitos facility, and cybersecurity as applied to Fuel Cycle Facilities	Rockville, MD	

## Commissioner Jeff Baran: Calendar

<u>Date</u>	<u>Title</u>	<u>Topics</u>	<u>Location</u>	<u>URL</u>
01/12/2015	Meeting with Nuclear Energy Institute	Update on post-Fukushima activities with a focus on flooding	Rockville, MD	
01/20/2015	Site visit - Peach Bottom		Delta, PA	
02/17/2015	Meeting with AREVA, Inc.	Introduction of CEO, discuss the U.S. Evolutionary Pressurized water Reactor Design Certification and Topical Report Reviews	Rockville, MD	
02/20/2015	Meeting with PSEG Nuclear	Corporate overview, 2014 performance, 2015 focus areas, industry challenges, transmission network changes, Fukushima implementation, new nuclear/Small Modular Reactors	Rockville, MD	
02/25/2015	Meeting with Xcel Energy	Introductory meeting	Rockville, MD	
03/02/2015	Site visit - North Anna		Mineral, VA	
03/06/2015	Meeting with Professional Reactor Operators Society	Perspectives on operator licensing, post-Fukushima training impacts, perspectives on Institute of Nuclear Power Operations oversight of operation training programs and their efforts to improve public trust	Rockville, MD	
03/06/2015	Meeting with Exelon	Exelon organization overview, cumulative effects of regulation, generic issues management, access authorization issues	Rockville, MD	
03/06/2015	Meeting with Center for Nuclear Waste Regulatory Analyses (CNWRA)	Discuss the CNWRA's capabilities and its work on NRC projects and introduce the newly appointed president of the Southwest Research Institute	Rockville, MD	
03/09/2015	Attend the Nuclear Energy Institute's Legal Advisory Committee Meeting	Provide remarks at the Nuclear Energy Institute's Advisory Committee Meeting	Washington, DC	
03/12/2015	Meeting with Tennessee Valley Authority	Watts Bar project update	Rockville, MD	
03/12/2015	Meeting with GE Power & Water	New plants, General Electric Hitachi Nuclear Power regulatory update	Rockville, MD	
03/12/2015	Meeting with NuScale Power	Update on the NuScale design certification application	Rockville, MD	
03/13/2015	Meeting with Union of Concerned Scientists	Public access to information (FOIA, document classifications, and consistency problems) and the NRC enforcement process	Rockville, MD	
04/13/2015	Meeting with Entergy	Overview of Entergy Wholesale Commodities Organization and interface with nuclear operations, stakeholder communications activities, update on fleet performance	Rockville, MD	
04/15/2015	Meeting with Health Physics Society	Integrated Universities Program Federal employee attendance at scientific meetings Thoughts on the Advanced Notice of Proposed Rulemaking for 10 C.F.R. Part 20	Rockville, MD	
04/20/2015	Site visit - Virgil C. Summer		Jenksville, SC	
04/21/2015	Meeting with Honeywell	General update of the plant operation, discussion of license renewal	Rockville, MD	
04/23/2015	Meeting with National Mining Association	Issues related to uranium processing facilities	Rockville, MD	
04/28/2015	Meeting with Omaha Public Power District	Introductory meeting, regulatory timeline for the Ft. Calhoun plant from pre-flood through restart, recovery and restart statistics, integration/operating services agreement, post-restart performance, exit of MC-350 and sustainability, leadership perspectives/lessons learned	Rockville, MD	
04/28/2015	Meeting with NuScale Power	NuScale update	Rockville, MD	
04/30/2015	Meeting with National Organization of Test, Research, and Training Reactors	Introductory meeting	Rockville, MD	
05/04/2015	Meeting with AREVA, Inc.	Introductory meeting, discuss U.S. Evolutionary Pressurized water Reactor Design Certification and Topical Report Reviews	Rockville, MD	
05/11/2015	Meeting with FirstEnergy Nuclear Operating Company	Introductory meeting, post-Fukushima safety enhancements, license renewal	Rockville, MD	
05/12/2015	Meeting with Peter Crane	Medical regulation and the patient release rule	Rockville, MD	
05/15/2015	Meeting with American Electric Power Company	Units 1 and 2 refueling outages 2014 performance 2015 priorities	Rockville, MD	
05/15/2015	Meeting with STP Nuclear Operating Company	Key industry issues South Texas Project status	Rockville, MD	
05/20/2015	Meeting with Decommissioning Plant Coalition	Independent spent fuel storage installation security matters Emergency preparedness and decommissioning fund matters Decommissioning rule-making, and spent fuel storage	Rockville, MD	
05/20/2015	Meeting with Spectrum	Medical use of byproduct material, training and experience requirements for alpha and beta emitter products	Rockville, MD	
05/28/2015	Meeting with Nuclear Innovation North America	Status of the STP 3 & 4 Project	Rockville, MD	

## Commissioner Jeff Baran: Calendar

<u>Date</u>	<u>Title</u>	<u>Topics</u>	<u>Location</u>	<u>URL</u>
06/01/2015	Site visit - Vogtle		Waynesboro, GA	
06/02/2015	Visit to Region II		Atlanta, GA	
06/26/2015	Meeting with Nuclear Energy Institute	Cumulative effects on regulation, Fukushima follow-up actions, Security (cyber and physical)	Rockville, MD	
07/14/2015	Meeting with Pacific Gas & Electric	Plant overview and current status of license renewal Implementation of Fukushima lessons learned Other regulatory initiatives	Rockville, MD	
07/16/2015	Meeting with Nuclear Energy Institute (NEI)	Introductory meeting with NEI members' staff who work in intergovernmental, Congressional affairs	Washington, DC	
07/21/2015	Meeting with Tennessee Valley Authority	Update on Watts Bar Nuclear Plant, Unit 2	Rockville, MD	
07/23/2015	Meeting with Nuclear Energy Institute (NEI)	Meet with the new Chief Operating Officer and CEO, NEI's perspective on cumulative effects, update on Fukushima lessons-learned, industry approach to Small Modular Reactors	Rockville, MD	
07/29/2015	Site visit - The George Washington University Hospital		Washington, DC	
08/19/2015	Site visit - Catawba		York, SC	
09/10/2015	Meeting with Paul Blanch and Jim Riccio	Perspectives on Indian Point	Rockville, MD	
09/17/2015	Site visit - Dresden		Morris, IL	
09/18/2015	Site visit - Zion		Zion, IL	
09/22/2015	Meeting with Talen Energy (formerly PPL Susquehanna)	Talen status/organization structure, Fukushima response efforts and expenditures, regulatory status of units and Susquehanna response, perspectives on NRC's reactor oversight process	Rockville, MD	
10/01/2015	Meeting with Nuclear Energy Institute's (NEI) New Plant Oversight Committee (NPOC) which included representatives from NEI, South Carolina Electric and Gas Company, DTE Energy Electric Company, and Duke Energy	History and purpose of NPOC, addressing combined license applications and design certification concerns, regulatory processes for changing requirements and the license amendment process, status of ongoing construction projects	Rockville, MD	
10/01/2015	Meeting with Southern Nuclear Operating Company	Status of the SNC operating fleet and fleet focus areas, NRC Project Aim and similar industry initiatives, implementation of NFPA 805, existing NRC licensing processes for future new reactors	Rockville, MD	
10/02/2015	Meeting with Westinghouse	NRC Project Aim, fuel cycle cyber rulemaking, Hematite decommissioning status update, new build status, AP1000 Design Certification renewal, specialized seismic option, path for Digital Instrumentation and Control upgrades	Rockville, MD	
10/02/2015	Meeting with Union Electric Co.	Update on the Callaway nuclear power plant	Rockville, MD	
10/07/2015	Meeting with the Advisory Committee on the Medical Uses of Isotopes	NRC's Abnormal Occurrence Criteria Policy Statement, Medical-Related Conference	Rockville, MD	
10/09/2015	Meeting with Holtec International	Holtec's Small Modular Reactor SMR-160 and their central interim storage initiative in New Mexico	Rockville, MD	
10/23/2015	Site visit - Arkansas Nuclear One		Russellville, AR	
11/02/2015	Meeting with NextEra Energy	Discuss current events and status of fleet	Rockville, MD	
11/03/2015	Attend the Institute of Nuclear Power Operations CEO Conference		Atlanta, GA	
11/09/2015	Meeting with non-governmental organizations	Discussion of current NRC issues	Washington, DC	
12/02/2015	Meeting with state environmental/ecological agency staff from WA, UT, and SC	Discussion of the current Part 61 Rulemaking and related issues, regulatory analysis/need for backfit-type analysis	Rockville, MD	
12/02/2015	Meeting with Duke Energy	Fleet performance, Oconee major projects, cyber security implementation, Reactor Oversight Process enhancements, treatment of low-risk compliance issues	Rockville, MD	
12/08/2015	Visit to Region III		Lisle, IL	
12/10/2015	Meeting with Health Physics Society	The Integrated Universities Program, federal staff participation in Health Physics Society meetings, Linear No-Threshold petition, status of 10 CFR Part 20 revisions, medical isotopes, issues associated with radioactive waste disposal	Rockville, MD	
12/10/2015	Meeting with Conference of Radiation Control Program Directors (CRCPD)	Introduce new CRCPD leadership, 2016 National Conference on Radiation Control, training for state radiation control staff, Project Aim 2020 initiatives, financial assurance for sealed sources, source security/storage issues, decommissioning of reactors and state engagement, time for response to NRC requests	Rockville, MD	
12/11/2015	Meeting with Exelon	Digital upgrades, risk-informed activities, compliance backfits, current environment for nuclear power	Rockville, MD	

## Commissioner Jeff Baran: Calendar

<u>Date</u>	<u>Title</u>	<u>Topics</u>	<u>Location</u>	<u>URL</u>
12/16/2015	Meeting with NuScale Power	Updates on the NuScale Design Certification Application Potential combined license applicants referencing that application The resolution of pre-application policy issues	Rockville, MD	
01/05/2016	Visit to Waste Control Specialists, LLC		Andrews, TX	
01/06/2016	Visit to Louisiana Energy Services, LLC, URENCO USA		Eunice, NM	
01/11/2016	Meeting with Southern California Edison	Status update on decommissioning of the San Onofre Nuclear Generating Station	Rockville, MD	
01/14/2016	Meeting with Spectrum Pharmaceuticals and CORAR	Beta Emitters	Conference call	
01/22/2016	Attend the Energy Future Coalition Steering Committee Meeting	Provide a brief overview of the status of the current nuclear power plant fleet and prospects for new construction	Washington, DC	
01/28/2016	Meeting with Nuclear Energy Institute	Discuss digital instrumentation and control (I&C) issues and an overview of the new Executive Working Group for Digital I&C	Rockville, MD	
02/02/2016	Meeting with NAC International, Inc.	Introductory meeting, overview of current projects	Rockville, MD	
02/03/2016	Meeting with Jim Hunter, Utility Director, International Brotherhood of Electrical Workers	Discuss access authorization issues	Rockville, MD	
02/08/2016	Meeting with FirstEnergy Nuclear Operating Company	Update on status of operating units Discussion of post-Fukushima efforts Discussion of the current environment for generators in de-regulated markets	Rockville, MD	
02/09/2016	Meeting with Elekta	Discuss policies related to radiological sources, including Cobalt-60 for cancer treatment	Rockville, MD	
03/04/2016	Meeting with Nuclear Energy Institute	Discuss decommissioning	Rockville, MD	
03/16/2016	Meeting with staff to the International Brotherhood of Electrical Workers	Discuss potential operational and workplace issues	Rockville, MD	
03/16/2016	Meeting with Nuclear Infrastructure Council	Discuss Advanced Reactors	Rockville, MD	
03/17/2016	Meeting with Tennessee Valley Authority	Discuss fleet regulatory issues	Rockville, MD	
03/22/2016	Visit to Fukushima Daiichi		Iwaki, Japan	
03/23/2016	Visit to IHI Manufacturing Facility		Yokohama, Japan	
03/24/2016	Meeting with the Japan Nuclear Regulation Authority		Tokyo, Japan	
03/30/2016	Meeting with National Council on Radiation Protection and Measurements	Discuss ongoing collaborations between NCRP and NRC, including the Million Person Study	Rockville, MD	
04/08/2016	Meeting with AREVA, Inc.	Discuss corporate update, investing in technology AREVA's new products and services	Rockville, MD	
04/19/2016	Meeting with Alliance for Nuclear Accountability	Discuss micro-cracking in reactor pressure vessels Lessons-learned from international operating experience Groundwater issues New reactor construction	Rockville, MD	
04/21/2016	Meeting with Health Physics Society	Discuss Integrated University Program funding Advisory Committee for the Medical Uses of Isotopes Progress on proposed rulemaking Health Physics Society mid-year meeting	Rockville, MD	
04/25/2016	Meeting with Entergy	Discuss performance initiatives at Entergy	Rockville, MD	
04/27/2016	Site visit - Three Mile Island		Middletown, PA	
04/28/2016	Meeting with Fansteel, Inc.	Discuss status of Oklahoma site	Rockville, MD	
05/06/2016	Meeting with Professional Reactor Operators Society (PROS)	Discuss PROS fatigue rulemaking paper, operator fundamentals/proficiency, operator licensing, Fukushima recommendation updates	Rockville, MD	
05/10/2016	Visit to Region I		King of Prussia, PA	
05/16/2016	Meeting with Southern Nuclear Operating Company	Discuss Vogtle 3 & 4 updates	Rockville, MD	
05/18/2016	Meeting with American Nuclear Society	Periodic update	Rockville, MD	
05/24/2016	Meeting with American Society for Radiation Oncology	Discuss topics related to radiation oncology and issues being considered by the NRC's Advisory Committee on the Medical Uses of Isotopes	Rockville, MD	
05/25/2016	Site visit - Perry Nuclear Plant		Perry, OH	
06/13/2016	Site visit - Comanche Peak		Glen Rose, TX	
06/14/2016	Visit to Region IV		Arlington, TX	
06/22/2016	Meeting with the Pressurized Water Reactor Owners Group	Discuss Generic Safety Issue 191, industry progress in resolving GSI-191 and industry concerns related to final closure of the program	Rockville, MD	
06/24/2016	Meeting with American Electric Power Company	Discuss plant updates, 2015 performance and 2016 priorities	Rockville, MD	

## Commissioner Jeff Baran: Calendar

<u>Date</u>	<u>Title</u>	<u>Topics</u>	<u>Location</u>	<u>URL</u>
07/14/2016	Meeting with non-governmental organizations	Discuss current NRC issues	Washington, DC	
07/25/2016	Meeting with NuScale Power	Discuss status update	Rockville, MD	
07/27/2016	Meeting with Energy Fuels Resources and National Mining Association	Discuss uranium recovery projects and related regulations	Rockville, MD	
08/05/2016	Meeting with Center for Nuclear Waste Regulatory Analyses (CNWRA) and Southwest Research Institute (SwRI)	Overview and status of the current technical support that SwRIs and CNWRA provide to NRC; Project Aim	Rockville, MD	
09/14/2016	Meeting with PwC and Atkins	Discuss NRC rules and guidance regarding Foreign Ownership Control and Domination	Rockville, MD	
09/14/2016	Meeting with Exelon	NRC culture on risk-informed approaches, risk-informed licensing actions (10 CFR 50.69)/TSTF-505, security, changes to the ROP, fee development process, backfits, Fitzpatrick, decommissioning transition (Clinton & Quad Cities)	Rockville, MD	
09/14/2016	Meeting with Tennessee Valley Authority	Discuss Watts Bar Nuclear Plant	Rockville, MD	
09/27/2016	Visit to BWX Technologies		Lynchburg, VA	
09/28/2016	Visit to AREVA Old Forest Road facility		Lynchburg, VA	
10/07/2016	Meeting with Southern Nuclear Operating Company	General fleet update	Rockville, MD	
10/11/2016	Site visit - Virgil C. Summer		Jenkinsville, SC	
10/12/2016	Meeting with Pacific Gas & Electric (PG&E)	Discuss PG&E's decision not to pursue license renewal for Diablo Canyon, decommissioning plans, status of activities regarding baffle-former bolts, and fuel fabrication, risk-informed initiatives, recent NRC inspections	Rockville, MD	
10/20/2016	Meeting with Waste Control Specialists	Discuss current activities, potential Federal disposal facility and future work, timeliness of Greater-Than-Class C examination, compact facility update, introduction of Mike Ford	Rockville, MD	
11/01/2016	Attend the Institute of Nuclear Power Operations CEO Conference		Atlanta, GA	
11/04/2016	Meeting with URENCO USA	Discuss the proposed final rule for Part 61 governing disposal of low-level radioactive waste	Rockville, MD	
11/15/2016	Meeting with Entergy	Discuss fleet health and performance improvement plan, Grand Gulf	Rockville, MD	
11/17/2016	Meeting with NuScale Power	Discuss the results of the NRC staff's readiness assessment of NuScale's design certification application and NuScale's efforts to complete its application.	Rockville, MD	
11/28/2016	Meeting with SCANA/South Carolina Electric & Gas	Discuss public service commission update, security and (force-on-force inspections), proposed operator licensing changes, WEC/Fluor transition update, ITAAC update	Rockville, MD	
11/30/2016	Site visit - Palo Verde		Buckeye, AZ	
12/01/2016	Presentation at the International Brotherhood of Electrical Workers Nuclear Conference		Phoenix, AZ	
12/05/2016	Meeting with Conference of Radiation Control Program Directors (CRCPD)	Introduction to the CRCPD leadership Invitation to 2017 National Conference on Radiation Control conference Update on participation in annual meeting and board meetings NRC training for state radiation control staff Involvement in NRC strategic planning Financial assurance for sealed sources Discuss effects of including Category 3 sources in National Source Tracking System	Rockville, MD	
12/16/2016	Meeting with Entergy	Discuss updates on business conditions, decommissioning plans	Rockville, MD	
01/06/2017	Meeting with Westinghouse	Discuss the status of AP1000 projects in China and the United States Westinghouse's exemption request for the AP1000 design certification renewal. Provide an update on recovery actions at the Columbia plant Westinghouse efforts to ensure security of the fuel supply, accident tolerant fuel, and industry to work on instrumentation and controls.	Rockville, MD	
01/10/2017	Site visit - Surry		Surry, VA	
01/17/2017	Meeting with Honeywell	Discuss and provide an update on the Metropolis plant and license renewal for the plant Discuss the upcoming cyber security rulemaking	Rockville, MD	

## Commissioner Jeff Baran: Calendar

<u>Date</u>	<u>Title</u>	<u>Topics</u>	<u>Location</u>	<u>URL</u>
01/25/2017	Meeting with AREVA MOX	Discuss MOX project status	Rockville, MD	
01/27/2017	Meeting with Dominion Energy	Security Use of Independent Analyses by the NRC staff Accident tolerant fuel Second license renewal Kewaunee Requests for Additional Information		
02/07/2017	Site visit - Salem and Hope Creek		Hancocks Bridge, NJ	
02/10/2017	Meeting with Exelon	NRC rulemaking priorities Plant status Medical isotope production Accident tolerant fuel Potential changes to emergency preparedness standards Recommendations for changes to the Risk Assessment Standardization Project Handbook/Standardized Plant Analysis Risk modeling	Rockville, MD	
02/13/2017	Meeting with FirstEnergy Nuclear Operating Company	General updates Fleet status	Rockville, MD	
02/17/2017	Meeting with Xcel Energy	Update on Xcel's nuclear fleet Regulatory environment Interactions with NRC Congressional interest	Rockville, MD	
03/02/2017	Meeting with Duke Energy	Discuss update on fleet performance Operator licensing Backfit Risk informed regulation Digital instrumentation and control	Rockville, MD	
03/07/2017	Meeting with Nuclear Energy Institute (NEI)	Meeting with NEI members' staff who work in intergovernmental Congressional affairs	Washington, DC	
03/07/2017	Presentation at the Decommissioning Plant Coalition Meeting		Washington, DC	
03/08/2017	Site visit - Vogtle		Waynesboro, GA	
03/09/2017	Meeting with International Brotherhood of Electrical Workers		Rockville, MD	
03/16/2017	Meeting with NuScale Power	Status update	Rockville, MD	
03/22/2017	Meeting with American Nuclear Society	Low dose radiation research and As Low As is Reasonably Achievable Radiation protection regulations 10 CFR Part 37 Physical Protection of Radioactive Materials Support for University programs NRC staff participation in American Nuclear Society meetings	Rockville, MD	
03/27/2017	Meeting with Chris Pugsley representing Western Uranium	Regulatory treatment of ablation mining technology	Rockville, MD	
04/06/2017	Meeting with NextEra Energy	General update Nuclear fleet focus areas Turkey Point 3 and 4 subsequent license renewal plan Seabrook license renewal	Rockville, MD	
04/06/2017	Meeting with AREVA, Inc.	Peening Carbon segregation The 50.46c rulemaking	Rockville, MD	
04/24/2017	Meeting with AREVA, Inc. and Nuclear Development, LLC.	Status update	Rockville, MD	
05/01/2017	Site visit - Limerick		Limerick, PA	
05/02/2017	Meeting with the United States Nuclear Infrastructure Council	Perspectives from Commissioner Baran	Washington, DC	
05/03/2017	Meeting with Southern Company	Southern-led licensing modernization project	Rockville, MD	
05/08/2017	Meeting with National Organization of Test, Research, and Training Reactors	Research and Test Reactors regulation and its evolution Timeliness of reviews including digital instrumentation and control License terms	Rockville, MD	
05/10/2017	Meeting with Rick Grantom, Independent Consultant	Considerations for Risk Informed Regulation	Rockville, MD	
05/10/2017	Meeting with Health Physics Society	Mid-year meeting Upcoming Radiation Protection Needs Workshop Health Physics Society Member on Advisory Committee for the Medical Uses of Isotopes	Rockville, MD	
05/23/2017	Meeting with Omaha Public Power District	Update on the decommissioning of Fort Calhoun Station	Rockville, MD	
05/23/2017	Meeting with non-governmental organizations	Discuss current NRC issues	Washington, DC	

## Commissioner Jeff Baran: Calendar

<u>Date</u>	<u>Title</u>	<u>Topics</u>	<u>Location</u>	<u>URL</u>
05/24/2017	Meeting with Alliance for Nuclear Accountability	Vogtle 3 & 4 related subject matter Nuclear expansion in the South Emergency response and preparedness Nuclear harm reduction work around nuclear plants and waste storage Radionuclide Environmental Monitoring and Outreach Program MOX fuel	Rockville, MD	
05/25/2017	Site visit - St. Lucie		Jensen Beach, FL	
06/01/2017	Meeting with Entergy	Discuss the status of Pilgrim Nuclear Power Station	Rockville, MD	
06/09/2017	Meeting with Exelon	Discuss plant status Physical security Risk initiatives Reactor Oversight Process-related issues	Rockville, MD	
06/15/2017	Meeting with American Electric Power Company	Discuss plant updates 2016 performance and 2017 priorities	Rockville, MD	
06/21/2017	Meeting with Tennessee Valley Authority	Fleet status update	Rockville, MD	
08/16/2017	Meeting with Nuclear Energy Institute	Discuss risk initiatives Digital instrumentation and control Accident tolerant fuel Subsequent license renewal Security Advanced reactor licensing	Rockville, MD	
09/25/2017	Meeting with Westinghouse	Organizational update Status of international and domestic AP1000 projects Exemption request for extending the AP1000 renewal period Update on recovery actions at the Columbia facility Accident tolerant fuel	Rockville, MD	
09/27/2017	Meeting with Fuel Cycle Facility Representatives and Nuclear Energy Institute	Introductions Discuss NRC's fuel cycle regulatory program and specific related initiatives	Rockville, MD	
10/12/2017	Meeting with the Nuclear Strategic Issues Advisory Committee	Provide remarks and answer questions at the advisory committee meeting	Washington, DC	
10/20/2017	Site visit - University of Maryland Research Reactor		College Park, MD	
10/23/2017	Meeting with Southern Nuclear Operating Company	Fleet update	Rockville, MD	
10/24/2017	Meeting with STP Nuclear Operating Company	Hurricane Harvey preparations and response Cyber security inspection GSI-191 Option 2B Delivering the Nuclear Promise initiatives	Rockville, MD	
10/24/2017	Meeting with AREVA, Inc.	Status update on the fleet Update on the company Accident tolerant fuel Topical Reports		
10/30/2017	Meeting with PSEG Nuclear	Update on the company and the fleet outreach efforts Security Licensing reviews Accident tolerant fuel Digital instrumentation and control upgrades 10 CFR Part 72 Reporting Requirements	Rockville, MD	
11/06/2017	Site visit - D.C. Cook		Bridgman, MI	
11/08/2017	Meeting with Southern California Edison	Status update on decommissioning of the San Onofre Nuclear Generating Station	Rockville, MD	
11/08/2017	Meeting with Xcel Energy	Update on state initiatives Plant performance at Monticello Independent spent fuel storage installation security matters	Rockville, MD	
11/14/2017	Meeting with Health Physics Society (HPS)	Low-dose radiation research HPS initiatives in radiation protection research The Integrated Universities Program Federal employee attendance and participation at scientific meetings	Rockville, MD	
11/14/2017	Meeting with NuScale Power	Update on the status of NuScale design certification application	Rockville, MD	

## Commissioner Jeff Baran: Calendar

<u>Date</u>	<u>Title</u>	<u>Topics</u>	<u>Location</u>	<u>URL</u>
11/14/2017	Attend the Nuclear Energy Institute's Legal Advisory Committee Meeting	Provide remarks at the Nuclear Energy Institute's Advisory Committee Meeting	Washington, DC	
11/28/2017	Meeting with GE Hitachi Nuclear Energy	Status update and discussion of work with licensed facilities	Rockville, MD	
12/06/2017	Meeting with Nuclear Energy Institute	General status updates, including digital instrumentation and control Perspectives on security requirements for nuclear power plants	Rockville, MD	
12/07/2017	Meeting with Conference of Radiation Control Program Directors	2018 National Conference on Radiation Control NRC training for state radiation control staff Decommissioning for nuclear power plants New Protective Action Guidance implementation for emergency preparedness Radiation Protection Standards / National Council on Radiation Protection and Measurements recommended reduced dose limit for lens of the eye State Agreements	Rockville, MD	
12/13/2017	Meeting with X-energy	Update on the status of design and licensing activities	Rockville, MD	
01/03/2018	Meeting with Honeywell	Corporate update Status of the Metropolis site Update on license renewal	Rockville, MD	
01/09/2018	Meeting with Waste Control Specialists	Greater-Than-Class C Interim storage Low-level waste issues Facility updates	Rockville, MD	
01/16/2018	Meeting with Entergy	Corporate update	Rockville, MD	
01/25/2018	Meeting with Chris Pugsley representing Western Nuclear, Inc.	Status update regarding the Title II Split Rock site Future licensing jurisdiction	Rockville, MD	
01/31/2018	Meeting with Waste Control Specialists	Corporate update	Rockville, MD	
02/05/2018	Meeting with Catawba Indian Nation Tribal Leaders	Introductions Catawba Indian Nation's Radiological Emergency Preparedness Program Emerging issues	Rockville, MD	
02/07/2018	Meeting with Decommissioning Plant Coalition	Update on Coalition activities to support permanently shut down sites Storage of spent fuel Decommissioning Rulemaking	Rockville, MD	
02/08/2018	Meeting with Terrestrial Energy, USA	Introductions Discussion of technology International activities Next steps with NRC	Rockville, MD	
02/20/2018	Meeting with Water Remediation Technology	Discussion of license renewal Part 170 fees	Rockville, MD	
02/21/2018	Meeting with non-governmental organizations	Discuss current NRC issues	Washington, DC	
03/01/2018	Site visit - Shearon Harris		New Hill, NC	
03/15/2018	Meeting with NuScale Power	Update on and discussion of the status of NuScale design certification application review, including requests for additional information	Rockville, MD	
03/15/2018	Meeting with Oklo, Inc.	Status update Latest project plans Upcoming NRC meetings and application project planning	Rockville, MD	
03/22/2018	Meeting with Nuclear Energy Institute	General updates Risk-informed regulatory practices Thoughts on NRC initiatives Security	Rockville, MD	
04/04/2018	Meeting with Exelon	NRC's transformational and risk-informed initiatives Digital instrumentation and control Security inspections	Rockville, MD	
04/05/2018	Meeting with Southern Nuclear Operating Company	Fleet update	Rockville, MD	
04/16/2018	Meeting with Vistra Energy	Introductions Overview of Vistra Energy	Rockville, MD	
04/17/2018	Site visit - Davis-Besse		Oak Harbor, OH	

**Commissioner Jeff Baran:  
Calendar**

<u>Date</u>	<u>Title</u>	<u>Topics</u>	<u>Location</u>	<u>URL</u>
04/20/2018	Meeting with Korea Hydro & Nuclear Power Co.	Introductions Reactor safety Regulatory processes International cooperation Nuclear technology innovation and research	Rockville, MD	
04/26/2018	Meeting with Health Physics Society (HPS)	Federal employee attendance and participation at scientific meetings The Integrated Universities Program Legislative update New HPS Position Statement on Low-level Radioactive Waste Disposal	Rockville, MD	
05/01/2018	Meeting with URENCO USA	Outlook on enrichment NRC fees Part 61 Rulemaking	Rockville, MD	
05/04/2018	Meeting with Westinghouse	Update on Columbia's Confirmatory Order actions, and license renewal Discussion of fee structure and budget Status of international and domestic AP1000 projects Accident tolerant fuel Hematite site Advanced reactors	Rockville, MD	
05/08/2018	Meeting with Framatome Inc.	Corporate update Summary of results of NRC inspection/performance review at the fuel fabrication facility Bellefonte update Accident tolerant fuel Digital instrumentation and control NRC Transformation initiative	Rockville, MD	
05/08/2018	Meeting with Honeywell	Discussion of the fee matrix	Rockville, MD	
05/21/2018	Presentation at the 2018 National Conference on Radiation Control		Charleston, SC	
05/22/2018	Meeting with Alliance for Nuclear Accountability	Vogtle 3 & 4 Nuclear expansion in the South Emergency response and preparedness Nuclear harm reduction work around nuclear plants and waste storage Radionuclide Environmental Monitoring and Outreach Program MOX fuel Consolidated storage	Rockville, MD	
06/12/2018	Site visit - Oyster Creek		Forked River, NJ	
06/26/2018	Meeting with American Society for Radiation Oncology	Training and experience requirements for radiopharmaceuticals Safety culture Physical presence requirements for medical devices Part 35	Rockville, MD	
06/28/2018	Meeting with National Council on Radiation Protection and Measurements (NCRP)	Recent NCRP actions of interest Including low-level radiation health effects research and status of the Million Worker Study	Rockville, MD	
07/24/2018	Meeting with Waste Control Specialists (WCS)	Discussion of Greater-Than-Class C disposal and associated Agreement State regulatory authority WCS updates	Rockville, MD	
07/24/2018	Meeting with Exelon	Risk-informed licensing actions Generic Safety Issue 191 Status update on Oyster Creek decommissioning NRC Transformation initiative NRC fees Update on security related issues	Rockville, MD	
07/26/2018	Meeting with Decommissioning Plant Coalition	Decommissioning rulemaking	Rockville, MD	
08/08/2018	Meeting with Duke Energy	Fleet updates Backfit Digital instrumentation and control Engineering Inspection Program	Rockville, MD	

## Commissioner Jeff Baran: Calendar

<u>Date</u>	<u>Title</u>	<u>Topics</u>	<u>Location</u>	<u>URL</u>
08/14/2018	Meeting with FirstEnergy Nuclear Operating Company	Introductory meeting of the new Chief Nuclear Officer Fleet updates	Rockville, MD	
08/16/2018	Site visit - Monticello		Monticello, MN	
08/17/2018	Meeting with Tennessee Valley Authority (TVA)	TVA fleet status update	Rockville, MD	
08/21/2018	Meeting with NuScale Power	Update on the status of NuScale design certification application review and corporate activities Feedback on NRC transformation initiative Emergency Planning Zones	Rockville, MD	
08/21/2018	Meeting with Nuclear Energy Institute	Status update Digital instrumentation and control Plant security	Rockville, MD	
09/06/2018	Meeting with National Mining Association	Discussion of ongoing rulemakings, guidance documents, and byproduct material	Rockville, MD	
09/18/2018	Meeting with Dominion Energy	Risk informed initiatives Subsequent license renewal (SLR) Digital instrumentation and control for SLR, open phase, addressing Anchor Darling valves Decommissioning Post-Fukushima initiatives	Rockville, MD	
09/19/2018	Site visit - Millstone		Waterford, CT	
09/25/2018	Meeting with Fuel Cycle Facility Representatives and Nuclear Energy Institute	Improved areas of communication Modernization and transformation of regulatory program Fuel cycle initiatives	Rockville, MD	
10/01/2018	Site visit - Browns Ferry		Athens, AL	
10/10/2018	Meeting with Entergy	Status update on the fleet and corporate activities	Rockville, MD	
10/18/2018	Meeting with Holtec International	Status update on decommissioning	Rockville, MD	
10/18/2018	Meeting with Energy Northwest	Introductions Overview of Energy Northwest and updates	Rockville, MD	
10/22/2018	Meeting with Natural Resources Defense Council	Post-Fukushima safety enhancements NRC's transformation initiative Uranium recovery	Washington, DC	
10/23/2018	Meeting with Talen Energy	Introductions Engineering inspections Cyber security	Rockville, MD	
10/23/2018	Meeting with American Nuclear Society	Periodic update and American Nuclear Society codes and standards	Rockville, MD	
10/24/2018	Meeting with American Electric Power Company	Discuss plant updates 2018 performance and 2018 priorities	Rockville, MD	
10/29/2018	Meeting with NextEra Energy	Corporate update Fleet update Status of the Turkey Point subsequent license renewal application review	Rockville, MD	
10/31/2018	Meeting with STP Nuclear Operating Company	Introductions Plant update Reactor Oversight Process enhancements	Rockville, MD	
11/01/2018	Meeting with GE Hitachi Nuclear Energy	Future plant projects Accident tolerant fuel Status of current operating plants Regulatory initiatives Ongoing rulemakings	Rockville, MD	
11/06/2018	Attend the Institute of Nuclear Power Operations CEO Conference		Atlanta, GA	
11/28/2018	Meeting with American College of Radiology	NRC's reevaluation of training and experience requirements for the different categories of radiopharmaceuticals under Part 35	Rockville, MD	
12/05/2018	Presentation at the International Brotherhood of Electrical Workers Nuclear Conference		Atlanta, GA	
12/11/2018	Meeting with Health Physics Society	University and faculty development grant program Low-dose radiation research	Rockville, MD	

## Commissioner Jeff Baran: Calendar

<u>Date</u>	<u>Title</u>	<u>Topics</u>	<u>Location</u>	<u>URL</u>
12/12/2018	Meeting with Nuclear Energy Institute (NEI)	NRC's Transformation initiative Reactor Oversight Process enhancements Security issues NEI organizational changes	Rockville, MD	
12/17/2018	Meeting with Institute of Nuclear Power Operations (INPO)	Follow up from INPO's conference Overview of performance improvement program General updates	Rockville, MD	
12/19/2018	Meeting with non-governmental organizations	Discuss current NRC issues	Washington, DC	
01/08/2019	Meeting with Tennessee Valley Authority	Introduction of new Chief Nuclear Officer Fleet status update	Rockville, MD	
01/10/2019	Meeting with United Pharmacy Partners	Introductions NRC's evaluation of training and experience for the use of radiopharmaceuticals Discussion regarding authorized users of these treatments, and public comments received to date	Rockville, MD	
01/10/2019	Discussion with Nuclear Energy Institute	Material Control and Accounting Rulemaking	Conference call	
01/17/2019	Site visit - Medstar Washington Hospital Center		Washington, DC	
01/23/2019	Meeting with Xcel Energy	Corporate initiatives Plant performance and operations Consolidated interim storage/moving of dry fuel Nuclear Energy Institute initiative on operability determinations Petition for rulemaking re emergency notifications	Rockville, MD	
01/29/2019	Meeting with Conference of Radiation Control Program Directors	2019 National Conference on Radiation Control NRC training for state radiation control staff Financial assurance for sealed sources Updates on Category 3 sources Source protection Implementation of new Protective Action Guidance at nuclear power plants Work on remediation of legacy sites Commission priorities Information about an International Symposium	Rockville, MD	
02/04/2019	Meeting with Korea Hydro & Nuclear Power Co.	Introductions APR 1400 Outlook for domestic and international activities	Rockville, MD	
02/06/2019	Meeting with Oklo, Inc.	Status update Latest project plans Anticipated 2019 path	Rockville, MD	
02/08/2019	Meeting with EnergySolutions	Introductions Decommissioning Very low-level radioactive waste Low-level waste disposal final rule Risk informed decision making	Rockville, MD	
02/19/2019	Site visit - Waterford		Killona, LA	
02/25/2019	Meeting with Kairos Power	Introductions Company overview Status of pre-application activities	Rockville, MD	
03/18/2019	Meeting with Westinghouse	Status update	Rockville, MD	
03/20/2019	Meeting with Decommissioning Plant Coalition	Discussion of spent fuel and Greater-Than-Class C disposal Decommissioning Rulemaking NRC's Transformation initiative Dry-cask storage	Rockville, MD	
03/20/2019	Meeting with Clearpath	Update on the existing nuclear fleet and advanced reactors	Rockville, MD	
03/21/2019	Meeting with Nuclear Energy Institute	Update on industry initiatives Perspective on Reactor Oversight Program	Rockville, MD	
04/01/2019	Meeting with NuScale Power	Update on the status of NuScale design certification application review and corporate activities Discussion of the Licensing Modernization Project	Rockville, MD	
04/04/2019	Meeting with National Mining Association	Discuss uranium recovery projects and groundwater protection	Rockville, MD	

**Commissioner Jeff Baran:  
Calendar**

<u>Date</u>	<u>Title</u>	<u>Topics</u>	<u>Location</u>	<u>URL</u>
04/04/2019	Meeting with Southern Nuclear Operating Company	Discuss Vogtle 3 & 4 updates Accident tolerant fuel Digital instrumentation and control	Rockville, MD	
04/10/2019	Site visit - Vogtle		Waynesboro, GA	
04/17/2019	Meeting with Southern California Edison	Introductions and status update on decommissioning of the San Onofre Nuclear Generating Station	Rockville, MD	
04/25/2019	Meeting with FirstEnergy Nuclear Operating Company	Status update on the fleet	Rockville, MD	
04/29/2019	Meeting with Exelon	Discussion of Reactor Oversight Process Risk-informed decision making Physical security Open phase conditions		
05/06/2019	Site visit - Beaver Valley		Shippingport, PA	
05/13/2019	Meeting with Dominion Energy regarding new role on NEI Board	Introduce Paul Koonce as new CEO and new Vice-Chair of NEI Current NEI areas of focus	Rockville, MD	
05/14/2019	Meeting with EnergySolutions	Decommissioning Very low-level radioactive waste Risk informed decision making New projects Alternative disposal procedures	Rockville, MD	
05/15/2019	Meeting with Tennessee Valley Authority	Fleet status update	Rockville, MD	
06/04/2019	Meeting with Oklo, Inc.	Updates on Oklo, Inc.'s plans and pre-application meetings	Rockville, MD	
06/06/2019	Site visit - Fermi		Newport, MI	
06/17/2019	Meeting with non-governmental organizations	Discuss current NRC issues	Washington, DC	
07/11/2019	Meeting with Entergy	Pilgrim transition to decommissioning Status of Grand Gulf Preparations to transition Indian Point to decommissioning	Rockville, MD	
07/11/2019	Meeting with Nuclear Energy Institute	Transformation initiatives at NRC Readiness for advanced reactors	Rockville, MD	
07/15/2019	Meeting with Framatome Inc.	Update on Framatome activities and accident tolerant fuel	Rockville, MD	
07/16/2019	Site visit - Calvert Cliffs		Lusby, MD	
07/31/2019	Meeting with Western Uranium and Vanadium Corp.	Discussion of Uranium milling and ablation	Rockville, MD	
08/12/2019	Site visit - Ginna Nuclear Power Plant		Ontario, NY	
08/13/2019	Meeting with FirstEnergy Nuclear Operating Company	Discussion of FENOC corporate updates Fleet's operating status State legislative efforts	Rockville, MD	
08/20/2019	Meeting with Oklo, Inc.	Updates on pre-application work with NRC staff Updates on likely regulatory path Discussion of potential policy issues related to non-LWRs	Rockville, MD	
09/10/2019	Meeting with Nuclear Energy Institute	Digital Instrumentation and Control The NRC staff's transformation initiative	Rockville, MD	
09/11/2019	Meeting with American Electric Power Company	D.C. Cook Plant overview Physical and cyber security Potential changes to the Reactor Oversight Process	Rockville, MD	
09/26/2019	Meeting with Southern Nuclear Operating Company	Fleet update, Vogtle 3 & 4 construction update The NRC staff's transformation initiative	Rockville, MD	
10/07/2019	Meeting with NextEra Energy	Corporate update Nuclear fleet update	Rockville, MD	
10/07/2019	Meeting with Duke Energy	Fleet performance update NRC's Low Safety Significance Issue Resolution initiative Potential changes to Reactor Oversight Process Issues related to Subsequent License Renewal	Rockville, MD	
10/21/2019	Site visit - McGuire		Huntersville, SC	
10/23/2019	Meeting with Exelon	Security issues Proposed changes to the reactor oversight process Exelon's Innovation Expo	Rockville, MD	

## Commissioner Jeff Baran: Calendar

<u>Date</u>	<u>Title</u>	<u>Topics</u>	<u>Location</u>	<u>URL</u>
10/28/2019	Meeting with Westinghouse	Updates on the Columbia fuel fabrication facility AP1000 design certification renewal status International projects Advanced reactors Accident tolerant fuel/high burn-up & high enrichment Digital instrumentation and control	Rockville, MD	
10/30/2019	Meeting with EnergySolutions	Decommissioning under the current regulations Disposal of very low-level reactive waste in RCRA facilities Decommissioning funds for Major Components disposal Risk informed decision making New projects Greater-Than-Class C Waste Rulemaking	Rockville, MD	
11/14/2019	Meeting with STP Nuclear Operating Company	Recent STP leadership changes and project plans Proposed changes to the reactor oversight process Low safety-significant issue resolution and other related initiatives Digital instrumentation and control upgrades Disposal of very low-level waste	Rockville, MD	
11/14/2019	Meeting with Southern California Edison	Status update on decommissioning of the San Onofre Nuclear Generating Station	Rockville, MD	
11/18/2019	Meeting with American Society for Radiation Oncology	Training and experience for radiopharmaceuticals Safety and effectiveness of radiation therapy	Rockville, MD	
11/19/2019	Meeting with GE Hitachi Nuclear Energy	1. Touching on the following topics: a. Fuel Licensing b. Part 74 Rulemaking c. NRC Annual Fees for Cat III Facilities 2. Small Modular Reactor licensing plan 3. Part 73 Draft Enhanced Weapons Rule 4. Development of an Integrated Safety Assessment Standard 5. Part 73 Cyber Security Rulemaking 6. Risk-Informed Licensing and Inspection Programs for Fuel Cycle Facilities 7. Financial Assurance	Rockville, MD	
11/21/2019	Visit to Region II and presentation at the International Brotherhood of Electrical Workers Nuclear Conference		Atlanta, GA	
12/03/2019	Meeting with Energy Northwest	Discuss the results of a recently study on the viability of new and existing commercial nuclear power facilities, including small modular reactors in Washington State	Rockville, MD	
12/06/2019	Meeting with Nuclear Energy Institute	Discuss the upcoming December 11 Nuclear Strategic Issues Advisory Committee (NSIAC) meeting New reactor licensing process	Rockville, MD	
12/10/2019	Meeting with Oklo, Inc	Status update on application preparation and logistics Discuss upcoming meeting with the NRC staff on external hazards and safety case related to Oklo's potential design	Rockville, MD	
12/11/2019	Meeting with the Nuclear Strategic Issues Advisory Committee	Provide remarks and answer questions at the advisory committee meeting	Washington, DC	
01/08/2020	Meeting with Xcel Energy	Plant performance update Corporate updates Subsequent license renewal Use of new technologies at reactors Hydrogen production demonstration	Rockville, MD	
01/10/2020	Site visit - Virginia Hospital Center		Arlington, VA	
01/16/2020	Meeting with Southern Nuclear Operating Company		Rockville, MD	
02/20/2020	Site visit - Indian Point		Buchanan, NY	
02/26/2020	Meeting with non-governmental organizations	Discuss current NRC issues	Washington, DC	
03/02/2020	Meeting with Arizona Public Service	Introduction of new Chief Nuclear Officer Palo Verde plant status Discussion of the Arizona Public Service new Clean Energy Commitment	Rockville, MD

02/17/2022	Site visit - Virgil C. Summer		Jenkinsville, SC	
02/23/2022	Meeting with Westinghouse	Columbia Fuel Fabrication Facility Accident Tolerant Fuel eVinci micro-reactor Future AP1000 activities		
03/17/2022	Meeting with ClearPath and Third Way	Advanced reactor rulemaking	Rockville, MD	
03/24/2022	Meeting with Energy Northwest	Plans for future reactor application.	Rockville, MD	
04/14/2022	Site visit - Prairie Island		Welch, MN	
04/25/2022	Meeting with Nuclear Energy Institute	International and state efforts Security bounding time Advanced reactor activities Environmental Justice Subsequent License Renewal Rulemaking		
05/10/2022	Meeting with Energy Harbor Nuclear	Operating fleet updates	Rockville, MD	
05/11/2022	Meeting with Southern Nuclear Operating Company	Vogtle 3 and 4 updates Operating fleet updates		
05/17/2022	Site visit - Oconee		Seneca, SC	
05/18/2022	Meeting with Alliance for Nuclear Accountability	Environmental justice NRC oversight of Vogtle construction		
05/19/2022	Meeting with Fuel Cycle Facility Representatives and Nuclear Energy Institute	NRC inspections of fuel cycle facilities COVID operations and lessons learned	Rockville, MD	
06/13/2022	Meeting with Southwest Research Institute	Current and potential Center for Nuclear Waste Regulatory Analyses work		
06/16/2022	Meeting with Duke Energy	North Carolina's Carbon Plan New Reactor Licensing Fleet Performance	Rockville, MD	
06/21/2022	Meeting with Society of Nuclear Medicine and Molecular Imaging	Radiopharmaceutical Extravasations & Medical Event Reporting	Rockville, MD	
06/21/2022	Meeting with Oklo Inc.	Update on Oklo pre-application and application activities	Rockville, MD	
06/22/2022	Site visit - FitzPatrick		Scriba, NY	

**Commissioner Jeff Baran:  
Calendar**

<u>Date</u>	<u>Title</u>	<u>Topics</u>	<u>Location</u>	<u>URL</u>
06/29/2022	Meeting with American College of Radiology	Radiopharmaceutical Extravasations & Medical Event Reporting		
07/06/2022	Meeting with Nuclear Innovation Alliance	Recent Nuclear Innovation Alliance efforts Part 53 advanced reactor rulemaking Part 50/52 new reactor licensing		
07/13/2022	Meeting with Terrestrial Energy, USA	Regulatory and engineering update on integral molten salt reactor Perspective on NRC cooperation with the Canadian Nuclear Safety Commission		
07/19/2022	Meeting with Nuclear Energy Institute	Anticipated future demand for nuclear power and new reactors Subsequent license renewal rulemaking NRC and industry workforce		
07/25/2022	Meeting with Entergy	Fleet performance and upcoming activities	Rockville, MD	
07/28/2022	Meeting with Constellation	Fleet update Digital instrumentation and control License renewal Very Low Safety Significance Issue Resolution process Recent Regulatory Information Summaries	Rockville, MD	
08/15/2022	Presentation at the 2022 Organization of Agreement States Annual Meeting		Fort Worth, TX	
08/16/2022	Site visit - River Bend		St. Francisville, LA	
08/29/2022	Meeting with American Electric Power Company	D.C. Cook performance and upcoming activities Reactor Oversight Process changes	Rockville, MD	
09/14/2022	Site visit - Sequoyah		Soddy-Daisy, TN	
09/14/2022	Site visit - NRC Technical Training Center		Chattanooga, TN	
09/15/2022	Nuclear Innovation Alliance Licensing Efficiency Workshop - Opening Remarks		Rockville, MD	
09/20/2022	Meeting with Oklo Inc.	Licensing Project Plan status Recent engagement with NRC staff		
10/05/2022	Meeting with NextEra Energy	Fleet update Digital instrumentation and control Subsequent License Renewal rulemaking Small modular reactor regulatory framework	Rockville, MD	
10/05/2022	Meeting with Kairos Power	Update on design and production Construction Permit application review	Rockville, MD	
10/11/2022	Meeting with Fusion Industry Association	Regulatory framework for Fusion	Rockville, MD	
10/12/2022	Visit to Darlington Nuclear Generating Station		Ontario, Canada	
10/21/2022	Meeting with Pacific Gas & Electric (PG&E)	Diablo Canyon license renewal		
10/27/2022	Meeting with Clearpath	New reactor licensing frameworks Fusion licensing framework	Rockville, MD	
10/27/2022	Meeting with Framatome Inc.	Digital Instrumentation and Control Fuel cycle cybersecurity New fuel developments and reviews New reactor licensing frameworks		
11/01/2022	Attend the Institute of Nuclear Power Operations CEO Conference		Atlanta, GA	
11/07/2022	Presentation at the International Brotherhood of Electrical Workers Nuclear Conference		New Orleans, LA	
11/15/2022	Presentation at the Decommissioning Plant Coalition Meeting		Washington, DC	
11/16/2022	Meeting with Health Physics Society	Health physics workforce and research efforts	Rockville, MD	
11/16/2022	Meeting with Nuclear Innovation Alliance	Part 53 advanced reactor rulemaking Insights from NIA's licensing efficiency workshop	Rockville, MD	
12/01/2022	Meeting with Third Way	Part 53 advanced reactor rulemaking		
12/06/2022	Meeting with Oklo Inc.	Licensing Project Plan status Recent engagements with NRC staff	Rockville, MD	
12/06/2022	Meeting with The Breakthrough Institute	Advanced Reactor Part 53 Rulemaking	Rockville, MD	
12/19/2022	Site visit - Turkey Point		Homestead, FL	
01/09/2023	Site visit - Hatch		Baxley, GA	
01/17/2023	Meeting with Arizona Public Service	Plant status update Risk-informed licensing process	Rockville, MD	
01/19/2023	Meeting with Entergy	Fleet update and outlook	Rockville, MD	

**Commissioner Jeff Baran:
