Revision 19 to the River Bend Station Physical Security Plan and
Revision 8 to the River Bend Station Safeguards Contingency Plan

File No.: G9.5, G12.23.4.1

RBF1-00-0017

Gentlemen:

Pursuant to 10CFR50.54(p)(2), enclosed are the original and three copies each of Revision 19 to the River Bend Station (RBS) Physical Security Plan and Revision 8 to the RBS Safeguards Contingency Plan. Summary descriptions of the changes are included. The revisions address organizational changes (job titles and reporting hierarchy). Due to high repetition, Safeguards Contingency Plan title changes are not identified by change bars. The changes per Revision 19 of the RBS Physical Security Plan and Revision 8 of the RBS Safeguards Contingency Plan have been determined not to decrease the effectiveness of the security program.

The RBS Physical Security Plan and Safeguards Contingency Plan are considered "Safeguards Information" pursuant to 10CFR73.21 and should be handled accordingly. Should you have any questions, please contact Mr. William Fountain at (225) 381-4625.

Sincerely,

RJK/WJF
