Ladies and Gentlemen:

Docket 50-305
Operating License DPR-43
Kewaunee Nuclear Power Plant
Supplemental Information
Application for Order and Conforming License Amendment
Transfer of Operating Authority for Kewaunee Nuclear Power Plant

On November 24, 1999, Wisconsin Public Service Corporation (WPSC), Wisconsin Power and Light (WP&L), and Madison Gas and Electric (MGE) owners of the Kewaunee Nuclear Power Plant (KNPP), submitted an application requesting an order consenting to the transfer of operating authority for KNPP from WPSC to a newly formed operating company called Nuclear Management Company, LLC. This letter provides additional information that supplements our application request.

The November 24, 1999 application identified the name and address of the successor licensee and the address of the principal officers of Nuclear Management Company, LLC as follows:

Nuclear Management Company, LLC
231 West Michigan Street
Milwaukee, Wisconsin 53201

The Board of Directors of Nuclear Management Company, LLC recently approved the relocation of the Company's principal place of business to Hudson, Wisconsin.

Accordingly, the name and address of the successor licensee and the address of the principal officers of Nuclear Management Company, LLC is changed to the following:

Nuclear Management Company, LLC
700 First Street
Hudson, Wisconsin 54016

A001

Page 2

The November 24, 1999 application also identified the Board of Directors of Nuclear Management Company, LLC. Mr. Errol B. Davis will no longer serve as a member of the Board of Directors. Mr. William D. Harvey has been designated a director of Nuclear Management Company, LLC. Mr. Harvey is currently Executive Vice President of Alliant Energy Corporation. Mr. Harvey is a citizen of the United States. Mr. Harvey's address is as follows:

Mr. William D. Harvey
Executive Vice President-Generation
Alliant Energy Corporation
222 West Washington Avenue
P.O. Box 192
Madison, WI 53701-0192

If you have any questions or require additional information regarding our original application or this supplemental information, please contact David J. Molzahn at 920-433-1308.

Sincerely,

Mark L. Marchi
Vice President-Nuclear
