Submittal of Supplemental Information for the UMS® Universal Storage System
Amendment for Maine Yankee Atomic Power Company Site Specific Spent Fuel

- References: 1. Submittal of Responses to the Request for Additional Information (RAI-1) for the UMS® Universal Storage System Amendment for Maine Yankee Atomic Power Company Site Specific Spent Fuel, NAC International, February 4, 2000

NAC International (NAC) herewith provides nonproprietary supplemental information in the form of two copies of a video tape inspection of the high burnup fuel at the Maine Yankee Site and two copies of a CD ROM inspection of some of the damaged fuel at the Maine Yankee Site. These submittals are in response to NRC/NAC discussions during the meeting of January 18, 2000, and subsequent telecon discussions.

If you have any comments or questions, please contact me at (770) 447-1144.

Sincerely,
